ARCANA WATCH.

An Elegant Novelty in Watches, The cases of this watch are an entirely new in-vention, composed of six different metals combined rolled together an I planished, producing an exact imitation of IS carat goldl called Arcana, which will always keep its color. They are as beautiful as solid gold, and are afforded at one-eighth the cost as solid gold, and are afforded at one-eighth the cost. The case is beautifully designed with Panel and shield fo name, with Patent Push Pin and engraved in the exact style of the celebrated Gold Hunting Levers, and are really handsome and desirable, and so exact an imitation of gold as to defy detection.—

The movement is manufactured by the well known St. Jimer Watch Company of Europe, and are superbly finished, having engraved pallets, fancy carved bridges, adjusting regulator, with gold balance and the inproved jewelled action, with line dial and skeleton hands, and is warranted a good time keeper.

These Watches are of three different sizes, the A case of six will be sent by Mail or Express for \$125,00. A single one sent in a handsome Morocco Ca e ior \$25,00; will readily sell for three times their cast. their cost. We are sole agents for three times their cost. We are sole agents for this watch in the United States, and none are genuine which do not bear our Trade mark. Address.
