RATS versus BIRDS—Whoever engages in shooting small birds is a cruel man; whoever aids in exterminating rats is a benefactor. We should like some of our correspondents to give us the benefit of their experience in driving out these pests. We need something besides dogs, cats, and traps for this business—Scientific American, N. Y.

See "COSTAR'S" advertisement in this paper.

1865.

"COSTAR'S" RAT EXTERMINATOR is simple, safe and sure—the most perfect Rat-exterminator meeting we have ever attended. Every Rat that sees get it properly prepared according to directions, will eat it, and every one that eats it will die, generally at some place as distant as possible from where the medicine was taken.—Lake Shore, Mich. Mirror.

See "COSTAR'S" advertisement in this paper.

HOUSEKEEPERS troubled with vermin need be no longer, if they use "COSTAR'S" Exterminator. We have used it to our satisfaction; and if a box cost \$5 we would have it. We have tried poisons, but they effected nothing; but "COSTAR'S" article knocks the breath out of Rats, Mice, Roaches, Ants, and Bed-Bugs, quicker than we can write it. It is in great demand all over the country.—Medina Ohio, Gazette.
