A doctor was summoned to a cottage at Harwood, in England, and found a boy in need of his services.

"Show your tongue," said the doctor. The boy stared like an owl.

"My good boy let me see your tongue," repeated the doctor.

"Talk English, doctor," said the mother, and then turning to her son...

"An ass!" quickly replied the lawyer. "Why?" asked the judge.

"Because I have heard of an ass being a judge, but never a horse."

"Facts are stubborn things," said a lawyer to a female witness under examination.

"Well, Patrick, you are moving again, I see!" "Faith I am," he replied.

A little boy on coming home from a certain church where he had seen a person performing an organ...

A man in Wisconsin, while bathing in the river last week, discovered...

"O, very much. It looks like the fuz on the back of a caterpillar!"

A lady must think she has something very valuable in her head...

Josh Billings says, "When once asked if I believed in the final salvation of men, I said yes, but let me pick the men."

A horse dealer describing a used up horse said he looked as if he had been editing a daily newspaper.

What is the difference between a tailor and a sieve gun? One works the breeches, and the other breaches the works.

Anna (to her beau)—Frederick, what city is that you're going to visit this fall? Fred.—If you have no objection, I'm going to have Anna.

Funny—to see a young lady with both hands in soft dough, and a moustache on the end of her nose.

"I'll take your part," as the dog said when he stole the cat's dinner.
