#### Local and Personal.

We call attention of all desiring a pleasant and profitable employment to the advertisement is the paper headed "\$1500 per year.

Prof. John Dewitt will deliver one of his popular lectures on the science of Phrenology, on Friday evering next, at Wall's hall.

Prof. Dewitt is a man young in years, but his experience in life has been extensive and saried, and of a nature to well qualify him as a lecturer on the science of phrenology. His lectures throughout the State have been attended with great success, and as Wyoming County has the distinguished honor of reckoning him as one of her sons, the citizens of Tunkhannock should turn out en masse to listen to the burning words of eloquence. that will undoubt edly fall from his lips. We understand the talented lecturer intends putting the science to a rigid test, by making a public examination of the heads of those desiring to find out whether they know anything or not, for the triffing sum of fifteen cents .-Unbelievers have only to submit their craniums to the sensitive fingers of the Professor, and he will soon tell them whether they have anything in their heads, or otherwise.

Bolton's Hotel .-- We have neglected to notice the change of name of the popular Hotel, so long and favorably known as the "Buehler House," to that of "Bolton's Hotel." Mr Geo J. Bolton, since his purchase of the House, has made expensive and important improvements to it, so that now, it is not only the best kept Hotel at our state capital. but it is also one of the most pleasant and commodious in its arrangements. No one who visits this house, will carry away with him a single doubt as to the ability of George to "keep a hotel."

Mr Geo. W. Hunter-a host within himself, is there-ever attending to the comfort and convenience of the guests of the house. Long may these two Georges wave !

Don't Forget, in looking after the place to buy cheap and good goods, that Bunnelli and Banatyne, have one of the finest stocks in town; and at prices down to such low figures that "he who runs may read." A visit to their elegant and neatly kept store will result in no harm to any one,

They charge nothing for showing goods!

The R ads are represented by everybody who travels to be in a splendid condition for mag oning We had had just enough snow and rain to fill up the ruts and holes, so for the present, without much thanks to our supervisors, we have most apital highways. We have too one very fine bridge-that made by the elements across the river. Tolls free.

Boots and Shoes made and repaired at R. E. Baker's shop over Wheelock's store, on Turnpike or Bridge street. Don't forget the place !

Our Thanks are due to Hon. C. R. Buckalew of the U. S Senate, and to P. M. Osterhout and D. M. Koon Esqrs of our State Legislature, for speeches and documentary favors, - not one fourth of which have we had time to read .- but, send them

Surprise Donation .-- The friends of the Rev. J N Pardee, propose making him a donation visit at the residence of John Weiss, near Shultzville, on the afternoon and evening of Wednesday, February 21, 1866. Arrangements will be made for a pleas-By order of Committee.

"Far-fetched and dear bought," is not always proof of value. The medical world is becoming alive to the fact that our common Dock Root of the fields, is an important remedial agent, and one of the most effectual alternatives known. It has always been a favorite medicine with the wise mothers of the country, for ulcers and sores and for purifying the blood. This root which grows so abuniantly around us everywhere, is now known to be one of the ingredients of Aver's Sarsaparilla, which is attracting public attention by its extraordinary cures of cutaneous and ulcerous diseases. Each County produces the antidot es for its own disorders as was said of old "and upon the banks thereof shall grow all trees for meat, whose flower shall not fade, and the fruit thereof shall be for meat, and the leaf thereof shall be for medicine "- Northfield, Ve

We are Requested by the Register and Re corder to notify the newly ele ted Justices of the Peace throughout the county, that their commis sions are ready for delivery at his office.

New Skirt for 1866

The Great Invention of the Age in HOOP SKIRTS J W BRADLEY'S New Patent DU PLEX ELLIPTIC (or double)

SPRING SKIRT. This invention consists of DUPLEX (or two) Elliptic Pure Refined Steel Springs, ingeniously Breded Tightly and Finely together edge to edge, making the Toughest, most Flexible Elastic and du-

making the Toughest, most Flexible Elastic and durable Spring ever used. They seldom bend or break, like the Single Springs, and consequently preserve their perfect and beautiful Shape more than twice as long as any Single Spring Skirt that ever Has or Can be made.

The wonderful flexibility and great comfort and pleasure to any Lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded Assemblies, Oper's, Carr'ages, Railroad Cars, Church Pews, Arm Chairs, for Promenade and House Dress, as the Skirt can be folded when in use to occupy a small place as easily and conveniently as a Silk or

small place as easily and conveniently as a Silk or Muslin Dress.

A Lady having Enjoyed the Pleasure, Comfort

A Lady having Lindyel the Pleasare, Common and Great Convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others

The Hoops are covered with 2 ply double twisted thread and will wear twice as long as the Single yarn covering which is used on all Single Steel Hoop Skirts. The three bottom rods on every Skirt are also Double Steel, and twice or double covered to prevent the covering from wearing off the rods when dragging down stairs, stone steps, etc., etc., which they are constantly subject to when in

All are made of the new and elegant Corded Tapes, and are the best quality in every part, giving to the wearer the most graceful and perfect shape possible, and are unquestionably the lightest most desirable, comfortable, economical Skirt ever,

Wests, Bradley & Carey, Proprietors of the Invention, and Sole Manufacturers, 97 Chambers, and 79 & 81 Reade Streets, New York.

Eor Sale in all first-class Stores in this City, and throughout the United States and Canada, Havana de Cula, Mexico, South America, and the West Indies.

Inquire for the Duplex Elliptic (or double) Spring Skirt.
