

Local and Personal.

Expatriation.—The date on the tinical address label attached to this paper, shows the time to which as appears on our books, the paper has been paid for. Every subscriber should take an occasional look at it.

Meetings for a number of evenings past have been held at the Presbyterian church, in this place. The Rev. Mr. Hickok from Scotland, has preached at most of these, to large and attentive audiences.

Pictures taken by Hermans & Cullingworth.—Photographers, at this place, present a perfect and life-like appearance. Mr. Roger, one of the best of portrait painters, finishes all colored pictures taken by them, in water color colors, in a most artistic manner.

For Sale.—The extensive flouring mills of James Mott dec'd, at Pittston, Luzerne Co., Pa., are advertised for sale by the Executors in our paper to day. Capitalists wishing to make a safe and profitable investment, will find this one of the best opportunities to do so.

For particulars see advertisement elsewhere.

Out on Bail.—Alvah W. Letter, charged by Ziba Reynolds, of Factoryville, in this County, with the larceny of a large sum of money, and who has been confined in our jail for a few days past, was brought up yesterday on *Habeas Corpus*, before Judge Smith, and released on giving bail in the sum of \$3000, for his appearance at the next session.

New Church.—The subject of building a new church at this place is now hopefully and seriously discussed by the Presbyterian society. The Methodists have been talking about building one for that denomination for several years past, but their ministers have had so much winy charity to bestow upon the sinner, and such a penchant for chrysalis clericalship and silver pitchers, that no progress has been made by them in building up churches or erecting a home to worship God in. The place where they at present "mus do congregare" is quite good enough for the worship of the nigger.

Dr. J. C. Beck.—who for many years has been known and recognized throughout this and adjoining counties as one of our worthiest citizens and most skillful of Surgeons and Physicians, is about to remove to Pittston. While we cannot but regret the loss of so good a citizen, we are glad that by stopping at Pittston, he will be within call as a surgeon, in cases where the skill and experience of others, may fail us. The Doctor has our sincerest wishes for success in his new field of usefulness.—Our Luzerne County friends will find in him a gentleman, in every way worthy of their confidence and esteem.

A Large Supplement Gratis.—We perceive that the demand for the first six numbers of THE SATURDAY EVENING POST, containing the opening chapters of Emerson Bennett's splendid new story "THE PHANTOM OF THE FOREST," has been so great as to entirely exhaust the edition.

The publishers have therefore issued one entire number of the Post as a supplement—which contains the first THIRTEEN CHAPTERS of Mr. Bennett's story, and which will be given gratis to all new subscribers. We also understand that any one writing to the proprietors of the Post, and enclosing a three cent stamp, will have the supplement mailed to them.—The price of THE POST is \$2 50 a year, two copies \$4, four copies \$8, eight copies (not on grates) \$16. Address: H. Peterson & Co., 319 Walnut Street, Philadelphia.
