Ayer's Sarsaparilla

MESHOPPEN, PA. A compound remedy, designed to be the most effectual Alterative that can be made. It is a concentrated extract of Para Sarsaprille a concentrated extract of Para Sarsaprille a concentrated extract of Para Sarsaprille and the content of the conten so combined with other substances of still Respectfully announces to his customers and the public that he has on hand and is prepared to manufacture to order, on short notice, all kinds of service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following

SCROFULA AND SCROFULOUS COMPLAINTS. ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RESUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AP-FECTIONS, MERCURIAL DISEASE, DROPSY, NET-RALGIA OR TIC DOULOUREUX, DEBILITY, DYS-PEFSIA AND INDIGESTION, ERYSITELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPERITY OF THE BLOOD.

This compound will be found a great pre-moter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the time-ly expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and nicerous sores, through which the system will strive and itself of corruptions, if not assisted to do this through the natural channels of the body by an atterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the eputation of accomplishing these ends. But preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla,

or any thing else. During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla for the sick for the same of rilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intend-ed to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on
