JOHNSON, CLYMER,

AND
THE UNION.

Call for a State Convention

OF HONORABLY DISCHARGED
OFFICERS, SOLDIERS AND SEAMEN
OF PENNSYLVANIA.

The Soldiers' Convention which met in
Pittsburg on the 4th of June last, and
which pledged their comrades in this State
to the support of the radical measures of
Congress, in opposition to the just and
Constitutional policy of President Johnson,
and which promised their votes to John
W. Geary, the radical candidate for Gov-
ernor, misrepresented the sentiments of the
great mass of the officers and soldiers of
Pennsylvania. In order that a true ex-
pression of opinion might be had from the
late defenders of the Government in the
field, and to counteract the injury attempt-
ed to be done to the cause of the Union, it
was deemed advisable by the late officers
and soldiers of the Federal army in this
State to hold another Convention.

A preliminary meeting of returned offi-
cers and soldiers, with this object in view,
was held on Thursday, the 28th of June,
when it was resolved to hold

A STATE CONVENTION AT HARRISBURG,
ON WEDNESDAY, THE 1ST DAY OF AUGUST,
at 10 o'clock a. m., to be composed of such
honorably discharged officers, soldiers and
seamen of Pennsylvania as subscribe to the
following doctrine, viz:

1. Who are in favor of carrying out, in
good faith, the joint resolution of Congress,
adopted July 22d, 1861, which declared
that "This war is not prosecuted on our
part in any spirit of oppression, nor for
any purpose of conquest or subjugation,
but to defend and maintain the supremacy
of the Constitution and to preserve the Union
with all the dignity, equality and rights
of the several States unimpaired."—
These were the conditions of the bond the
soldiers signed and sealed in blood with
the Government, and a refusal now to carry
them out is a gross violation of a solemn
agreement;
2. Who are in favor of restoring the
States lately in rebellion to all their consti-
tutional relations with the Federal Union
as they stood before the war broke out, ac-
cording to the humane and constitutional
policy laid down by President Johnson;
3. Who are in favor of representatives
from the South, loyal to the Constitution
and the laws, being immediately received
by Congress;
4. Who approve President Johnson's
vetoes of the Freedman's Bureau and Civil
Rights Bills;
5. Who are opposed to any interference
by Congress with the rights of the States
reserved by the Constitution, and who are
opposed to the right of suffrage being con-
ferred upon the negro;
6. And who are in favor of the election
of Hiester Clymer, Democratic candidate
for Governor of Pennsylvania, the repre-
sentative of the constitutional and conserva-
tive doctrine stated above.

Each county will be entitled to send sev-
en delegates to the Convention; and where
a county has more than one member in the
House of Representatives, such county will
be entitled to seven delegates for each ad-
ditional member. The delegates are to be
selected by the honorably discharged offi-
cers, soldiers and seamen of the counties
respectively.

In addition to the delegates selected, all
other honorably discharged officers, sold-
iers and seamen who sympathize with the
object in view, are invited to meet at Har-
risburg on that occasion.

SATURDAY NIGHT'S MUSINGS.

BY BRICK POMEROY.

Blessed night of rest! Soon will the labors
of the week be ended, and then for
respite from toil—a release from the six
linked chain which has held us prison-
ers long enough. Worker, waiter and
watcher, sit down with us for a moment.
We have one night less to talk with you,
to hold converse with earthly friends.—
One week; another Saturday night nearer
the golden streets or the dark rav
