**WANTED. \$27.60 per day.**  
AGENTS wanted, ladies and gentlemen, in every County in the United States, to sell the Ink Powders of the American Ink Company. The powder sells for forty cents per package, and will make ink enough to fill fifty bottles of the size usually retailed at ten cents per bottle. A smart agent can sell a gross of it a day, and clear \$27.60. The ink can be made from the powder in three minutes in common boiling water. It is a perfect black ink, the best in the world. It flows easily, does not corrode the pen, a particle, never gums up, is not injured by freezing, and its color will last for ever. Every family in America will buy it, as a package will last a family for years, and ink can be made in small quantities as wanted. With each gross we send a thousand circulars, with testimonials from clergymen, lawyers, teachers, merchants, commercial colleges, editors, &c., and the agent's name on the bills. Only one person will be made agent for a county. The first one sending \$30 for a gross of the powder will receive it by return express, together with one thousand circulars and the right to sell in the county he or she designates. If others send for the same county, the money will be returned to them free of expense. To make sure, one had better designate several counties either of which he or she will take. Send for trade list and circulars if you dare run the risk of waiting, or send the money for a gross. Letters addressed to the Mayor, Postmaster, cashiers of the banks, or the express agents of this city, will show that the business is honorably and squarely conducted. An Ink Powder will be sent by mail to any address, free of charge, on receipt of forty cents.

**CAMPAIGNS**  
OF THE  
**ARMY OF THE POTOMAC.**

By WILLIAM SWINTON.  
THE STANDARD HISTORY OF THE GRAND ARMY.  
The greatest Work on the War.

Universally endorsed by army officers and the press, THE AUTHOR SAYS:—

"I design in this volume to record what that Army did and suffered in ten campaigns and two score battles."

I shall have to celebrate the unswerving loyalty of this army, that oftentimes when the bond of military cohesion failed, held it, unshaken of fortune, to a duty self-imposed.

I shall have to follow it through a checkered experience, in a tale composed of great misfortunes, great tolls and great glories; but from first to last it will appear that, amid many buffets of fortune, through "winter and rough weather" the Army of the Potomac never gave up; but made a good fight, and finally reached the goal.

Of this drama there will be no other hero than the Army of the Potomac itself; for it would seem that in this War of the People it was decreed there should arise no imperial presence to become the central figure and cynosure of men's eyes. Napoleon, in an outburst of haughty eloquence, exclaimed that the great armies of history the Commander was everything. This proud apotheosis has no application for the Army of the Potomac. And one must think—seeing it never had a great, and generally had mediocre commanders—it is that it might be said that wh-rever it won it owed not to genius, but bought with its blood."

This is the only History of the "Grand Army," and no one who has borne a part in its conflicts, or is interested in its grand achievements, should be without it.

This work presents a rare chance to make money. Agents wanted. Send for Circulars and see our terms.
