Ayer's Sarsaparilla

A compound remedy, designed to be the most effectual of any that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure.

SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, FURUNCLES, BOILS, TUMORS, SALT RHEUM, SCALD HEAD, SYMPLECTIC AND SYMPLECTIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NITRURALGIA OR TIC DOULOUREUX, DYSPEPSIA, DYSPEPSIA AND INDIGESTION, ERYTHREMA, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which foster in the blood at that season of the year.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been found to be impurities, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever.
