GROVESTEEN & CO.'S PIANO FORTE MANUFACTURER'S 499 Broadway NEW-YORK

The attention of the public and the trade is invited to our new scale 7 octave rosewood piano fortes which for volume and purity of tone are unrivaled by any hitherto offered in this market. They contain all the modern improvements, French Grand action, harp pedal iron frame over-strung brass, &c, and each instrument being made under the personal supervision of Mr. J. H. Grovsteen, who has had a practical experience of over 30 years in his manufacture, is fully warranted in every particular.

THE 'GROVESTEEN PIANO-FORTE' received the highest reward of MERIT OVER ALL OTHERS, AT THE ELEBRATED WORLDS FAIR

Where were exhibited instruments from the best makers of London, Paris, Germany, Philadelphia, Baltimore, Boston and New York; and also at the American Institute for five successive years, the gold and silver medals from both of which can be seen at our ware room.

By the introduction of improvements we make a still more perfect Piano forte and by manufacturing largely, with a strictly cash system, are enabled to offer these instruments at a price which will preclude competition.

GREETINGS!

In other words, the

MAN, WOMAN, OR CHILD

who means to pay for what they get will not be obliged to pay the Merchant a Bonus in order to save him what he loses by those who will not or you cannot make pay.

Of this drama there will be no other hero than the Army of the Potomac itself; for it would seem that in this war of the People it was decreed there should arise no imperial presence to become the central figure and cynosure of men's eyes. Napoleon, in an outburst of haughty eloquence, exclaims that in the great armies of history the Commander was everything. This proud apostrophe has no application for the Army of the Potomac. And one must think—seeing it never had great, and generally had mediocre commanders—it was that it might be said, that wherever it won it owed not to genius, but bought with its blood.

This is the only History of the "Grand Army," and no one who has borne a part in its conflicts, or is interested in its grand achievements, should be without it.
