CROSBY ART ASSOCIATION.

ATTEMPT TO IMPAIR PUBLIC CONFIDENCE IN THE EN TERPRISE.

[From Chicago Post, August 23d]

An attempt has just been made to impair public confidence in the integrity of purpose of Mr. Crosby in his great Art Association enterprise. Some irresponsible individual maliciously, and certainly withsponsible individual maliciously, and certainly without any grounds, had telegraphed to several eastern
newspapers that the people here lost confidence in the
scheme being carried out, or the prizes ever awarded.
Now the people in Chicago know that no one has ever expressed the slightest doubt of the integrity of
Mr. Crosby, or his ability to carry out to the letter
the adverised project of the Association. The sale
of tickets has been, with the past two weeks brisker. of tickets has been, with the past two weeks, bricker than ever, and never has there been the slightest indication of their depreciating in value. In the following card Mr. Crobby reiterates his ability and determination to carry cut the plan of the Association. Mr. Nickerson guarantees his undertaking, and the committee appointea to superintend the awarding of premiums endorse both. The people of Chicago require no such guarantees, but on the contrary the whole city would be ready, if required, to guarantee both the committee, Mr. Nickerson and Mr. Crosby himself, who originated, and who is successfully carrying out the Art Association scheme.

To the Members of the Crosby Opera House Art

The sale of certificates in the Association has already been so great as to enable me to state that the distribution of premiums hertofore announced will be made to their satisfaction, or the money refunded U. H. CROSBY, Actuary, A. A.

Having the utmost confidence in the ability of Mr crosby to carry out his enterprise, I hereby guarantee his undertaking, as above announced SAM'L. M. NICKERSON.

Chicago, Aug. 21, 1866.

The undersigned, members of the Committee appointed to superintend the awarding of premiums to members of the Crosby Opera House Art Association take pleasure in stating that we have full confidence in the integrity of Mr. Crosby, and in the responsibility of Samuel N. Nickerson, Esq., his guarantor, and assure the p blic that we believe the above proposal will be carried out in good faith.

From N. Y. Sunday Times

It is very rarely that we feel inclined to call the attention of our readers to any of the "gift" arngements with which our papers have lately been looled; but this scheme of what we may call the Crosby Art Union, is so largely and generously con-ocived, as well as so handsomely and unequivocally indersed by the leading citizens of Chicago, that we unhesitatingly give it our cordial approval. The cost of the Opera House was \$600,000, and the indi v'd sals who are disposed to purchase such a property at such a price, are rare, even when its account ig so e; offices and studios rent for \$30.000. this case was to be done? Mr. Crosby, or those who my be associated with him, are sagacious men. They originated this "art association;" so broadly and liberally arranged it can scarcely fail of insuring itself a positive success. In the first place, they offer to every subscriber, not alone a share in the Opera House, with the chance of ultimately becoming its sole proprietor, but a possibility of obtaining also other very valuable premiums. These consist of Bierstadt's great painting, "The Yo Semite Valley;' Cropsey's "American Autumn;" Schussele's nation al work, "Irving and his Friends;" as well as works by all the leading artists of the country, The first seven are in actual value \$43,000. That this is a positively genuine over no doubt can exist, as the artists give it their unhesitating and cordial approval Under any circumstance this oughs to guarantee its purity of intention; but when such a series of promi-nent citizens of the Western Metropolis permit Mr. Crosby to use their names in his advertisements as a proof of his good faith, such a guarantee is immens-urably strengthened. At the same time we may call the attention of the timidly speculative to the fact that every purchaser of a share receives an engry-ing of at least double the value of the money which
