

WORKS OF NATURE.—In a state of health the intestinal canal may be compared to a river whose waters flow over the adjoining land, through the channels nature or art has made, and improve their qualities; so long as it runs on smoothly the channels are kept pure and healthy; if the course of the river is stopped, then the water in the canal is no longer pure, but soon becomes stagnant. There is but one law of circulation in nature. When there is a superabundance of humoral fluid in the intestinal tubes, and coarctation takes place, it flows back into the blood vessels, and infiltrates itself into the circulation. To establish the free course of the river, we must remove the obstructions which stop its free course, and those of its tributary streams. With the body, follow the same natural principle—remove the obstructions from the bowels with **BRANDRETH'S PILLS**, which never injure, but are always effectual for the perfect cleansing of the system from foulness or disease. Remember never suffer a drop of blood to be taken from you. Evacuate the humors of often and as long as they are deranged, or as long as you are sick.

See that **BRANDRETH'S** is in white letters in the Government stamp

REDUCTION IN PRICE
OF THE
AMERICAN WATCHES

Made at **WALTHAM, MASS.**
In consequence of the recent great improvement in our facilities for manufacturing we have reduced our prices to as low a point as they can be placed
WITH GOLD AT PAR,
so that no one need hesitate to buy a watch now from the same manufacturer, for it will be cheaper at our future time. The best of ten years and the manufacture and sale of
More than 200,000 Watches,
have given our productions the very highest rank among time keepers. Commencing with the determination to make only thoroughly excellent watches, our business has steadily increased as the public became acquainted with their value, until for months together, we have been unable to supply the demand. We have repeatedly enlarged our factory buildings until they now cover over three acres of ground, and give accommodation to more than eight hundred workmen.

We are fully justified in saying that we now make **MORE THAN ONE-HALF OF ALL THE WATCHES SOLD IN THE UNITED STATES.** The different grades are distinguished by the following trade-marks on the plate
1. "Ames Watch Co." Waltham, Mass.
2. "Appleton, Tracy & Co." Waltham, Mass.
3. "P. S. Bartlett." Waltham, Mass.
4. "Wm. Ellery."
5. OUR LADIES' WATCH of first quality is named "Appleton, Tracy & Co." Waltham, Mass.
6. Our next quality of Ladies' Watch is named "P. S. Bartlett." Waltham, Mass. These watches are furnished in a great variety of sizes and styles of cases.

The American Watch Co. of Waltham, Mass. authorize us to state without distinction of trade-mark or price
ALL THE PRODUCTS OF THEIR FACTORY ARE FULLY WARRANTED.
Time-keepers of their class ever made to be the best. Buyers should remember that the use of a foreign maker who can never be reached, is a guarantee in good at all times against the Company or their agents, and that if after the most thorough trial, any watch should prove defective in any particular, it may be always returned, as if another. As the American Watches made at Waltham are for sale by dealers generally throughout the country, we do not sell for less for single watches.

CAUTION.—The public are cautioned to buy only of respectable dealers. All persons selling counterfeits will be prosecuted.
