Ayer's Sarsaparilla

A compound remedy, designed to be the most efficient Alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of great

greater alternative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will

accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:--

SCROFULA AND SCROFULOUS COMPLAINTS, Eruptions and Eruptive Diseases, Urticaria, Pimples, Bores, Tumors, Salt Rheum, Scald Head, Scabies and Syphilitic Affections, Mercurial Disease, Dropsy, Nephritis or the Dropsical, Diabetes, Dropsical Affections and Indigestion, Enlarged Spleen or St. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the four humors which foster in the blood at that season of the year. By the timely expulsion of them, multitudes of disorders may be prevented. Multitudes can, by the aid of this remedy, spare themselves from the endurance of febrile eruptions and ulcerous sores, through which the system will strive to rid itself of impurities, if not assisted to do this through the natural channels of the body by an alternative medicine. Cleanse out the vitiated blood whenever you find its impurities

bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it obstructed, and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this purgative of the blood, there can be no lasting health. Suffer or later something must go wrong, and the great machinery of life is deranged or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any other of its ingredients.

During late years the public have been misled by large bottles, pretending to give a quart of Sarsaparilla for one dollar. Most of these have been found to be spurious, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which fill the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. It is our duty to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

PREPARED BY DR. J. C. AYER & CO., LOWELL, MASS. Price, 50 cents per Bottle; Six Bottles for \$2.50.

Ayer's Cherry Pectoral has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this country, we need not more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

Ayer's Cathartic Pills, FOR THE CURE OF Costiveness, Jaundice, Dyspepsia, Indigestion, Dropsy, Liver Complaint, Biliousness, Headache, Piles, Rheumatism, Eruptions and Skin Diseases, Liver Complaint, Dropsy, Tetters, Tumors and Salt Rheum, Worms, Gout, Nephritis, as a Diuretic, and for Purifying the Blood.

They are so constructed, so that the most sensitive can take them without any ill effects, and they are the best aperient in the world for all the purposes of a family physic. Price 25 cents per Box; Five boxes for \$1.00.

Great numbers of Clergymen, Physicians, Statesmen, and eminent persons, have lent their names to certify the unparalleled usefulness of these remedies, but our space will not permit the insertion of them. The Agents below named furnish gratis our AMERICAN ALMANAC in which they are given, with also full descriptions of the above complaints, and the treatment that should be followed for their cure.

Do not neglect to be imprudent dealers with other preparations that make more profit on Demand AYER'S, and take no others. The sick want the best all there is for them, and they should have it.

All our remedies are for sale by
