GROVESTEEN & CO. PIANO FORTE MANUFACTURERS

499 Broadway NEW-YORK

The attention of the public and the trade is invited to our new and complete stock of pianos, which for volume and purity of tone are unrivaled by any hitherto offered in this market. They contain all the modern improvements, French Grand action, harp pedal iron frame over-strung brass, &c. and each instrument being made under the personal supervision of Mr. J. H. Grovsteen, who has had a practical experience of over 30 years in their manufacture, is fully warranted in every particular.

THE 'GROVESTEEN PIANO-FORTE' received the highest reward of MERIT OVERALL OTHERS, AT THE CELEBRATED WORLD'S FAIR

Where were exhibited instruments from the best makers of London, Paris, Germany, Philadelphia, Boston, and New York; and also at the American Institute for five successive years, the gold and silver medals from both of which can be seen at our war room.

By the introduction of improvements we make a still more perfect Piano forte and by manufacturing largely with a strictly cash system, are enabled to offer these instruments at a price which will preclude competition.

MANHOOD: how Lost, how Restored.

Just published, a new edition of DR. CULVERWELL'S CELEBRATED ESSAY on the radical cure (without medicine) of SPERMATORRHOEA, or Seminal Weakness, Involutionary Senility, Loss of Vigor, Mental and Physical Incapacity, Impediments to Marriage, &c.; also, CONSUMPTION, EPILEPSY, and FITS, induced by self-indulgence or sexual extravagance.

Price, in a sealed envelope, only 6 cents. The celebrated author, in this admirable essay, clearly demonstrates, from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife—pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This Lecture should be in the hands of every youth and every man in the land.

Sent, under seal, in a plain envelope, to any address, postpaid, on receipt of six cents, or two post stamps. Also Dr. Culverwell's "Marriage Guide," price 25 cents. Address the publishers,

LATEST FASHIONS DEMAND

J. W. Bradley's Celebrated Patent DUPLEX ELLIPTIC SKIRT.

(OR DOUBLE SPRING)

The Wonderful Flexibility and great comfort and pleasure to any Lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded Assemblies, Operas, Carriages, Railroad Cars, Church Pews, Arm Chairs, for Promenades and House Dress, as the skirt can be folded when in use to occupy a small place as easily and conveniently as a Silk or Muslin Dress, an invaluable quality in crinolines, not found in any Single Spring Skirt.

A Lady having enjoyed the pleasure, comfort, and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day, will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

They will not bend or break like the Single Spring, but will preserve their perfect and graceful shape when three or four ordinary skirts will have been thrown aside or useless. The hoops are covered with double air twisted thread, and the bottom rods are not only double springs, but twice (or duple) covered; preventing them from wearing out on dragging down steps, stairs, &c.

The Duplex Elliptic is a great favorite with all ladies and is universally recommended by the Fashion Magazines as the STANDARD SKIRT OF THE FASHIONABLE WORLD.

To enjoy the following inestimable advantage in Crinolines, viz: supreme quality, perfect manufacture, stylish shape and finish, flexibility, durability, comfort and economy, enquire for J. W. Bradley's Duplex Elliptic or Double Spring Skirt, and be sure you get the genuine article.

CAUTION.—To guard against IMITATION be particular to NOTICE that skirts offered as "DUPLEX" have the red ink stamp, viz. "J. W. Bradley's Duplex Elliptic Steel Springs" upon the waistband—none others are genuine. Also notice that every Hoop will admit a pin being passed through the centre, thus revealing the two (or double) springs braided together therein, which is the secret of their flexibility and strength, and a combination not to be found in any other Skirt.

For Sale in all Stores where First Class Skirts are sold throughout the States and elsewhere.

Manufactured by the Sole Owners of the Patent, **WESTE BRADLEY & CAREY,**
