Dr, SCHENCK'S PULMONICH SYRUP

This great medicine cured Dr. J. H. SCHENCK, the Proprietor, of Pulmonary Consumption, when it had assumed its most formidable aspect, and when speedy death appeared to be inevitable. His physicians pronounc d his case incurable, when he commenced the use of this simple but powerful remedy. His health was restored in a very short time, and no return of the disease has been apprehended, for all the symptoms quickly disappeared, and his present weight is more than two hundred pounds.

Since his recovery, he has devoted his attenti exclusively to the cure of Consumption, and the diseases which are usually complicated with it, and the EESER OF ALL KINDS. cures effected by his medicines have been very aumerous and truly wonderful. Dr. SCHENCE makes professional visits to several of the larger cities weekly, where he has a large concourse of patients, and it is truly astonishing to see poor conusmptives that have to be lifted out of their carriages, and in a few months healthy, robust persons. Dr. SCHENCK'S PULMONIC SYRUP, SEAWEED TONIC, and MANDRAKE PILLS are generally all required in curing Consumption. Full directions accompany each so that any one can take them without seeing Dr. Schenck, but when it is convenient it is best to see him. He gives advice free but for a thorough examination with his Respirometer his fee is tnree d llars.

Please observe; when pur hasing, that the two likenesses of the Doctor-one when in the last stage of Consumptioa, and the other as he now is, in perfect health-are on the Government stamp.

Seld by all Druggists and Dealers. Price \$1.50 per bottle, or \$7.50 the half dozen. Letters for advice should always be directed to Dr Schenck's Principal Office, No. 15 North 6th Street, Philadelphia, Pa.

REASONS WHY THE

AMERICAN WATCH Made at WALTHAM, MASS., is the best.

It is made on the best principle. Its frame is composed of SULID PLATES. NO jar can interfere with the harmony of its working and no sudden shock can damage its machinery. Every piece is made and finished; by machinery, (itself famous for its novelty, as well as for its effectivenes) and is therefore I roperly made. The watch is what all mechanism should be-ACCURATE, SIMPLE, STRONG AND ECONOMICAL, Except some high grades, to costly for general use, foreign watches are chiefly made by women and boys Such watches are composed of several hundres pieces, screwed and rivited together, and require constant repairs to keep them in any kind of order. All persons who have carried "ancres" "lepines" and "English Patent Levers," are perfectly well aware of the truth of this statement.

At the beg,nning of our enterprise more than ten years ago, it was our first object to make a theroughly good low priced watch for the million, to take the place of these foreign impositions; the refuse of foreign factories, which were entirely unsaleable at home and perfectly worthless everywhere.

How well we have accomplished this, may be unierstand from the fact that after many years of public trial, we now make MORE THAN HALF OF ALL THE WATCHES SOLD IN THE UNI-TED STATES, and that no others have ever given such universal satisfaction. While this department of our business is continued with increased facilities for perfect work, we are at present engaged in the manufacture of watches of the very HIGHEST GRADE KNOWN TO CHRONOMETRY, unequaled by anything hitherto made by ourselves, and unsurpassed by anything made in the world. For this purpose we have the amplest facilities. We nave cercted an addition to our main building ex pressly for this branch of our business, and have filled it with the best workmen in our s rvice. New machines and appliances have been constructed which perform their work with consummated delicaey and exactness The choicest and most approved materials only are used, and we challenge comparison between this grade of our work and the finest imported chronometers. We do not pretend to sell our watches for less money than fereign watches, but we do assert without fear of contradiction that proved. for the same money our product To incompa rably superior. All our watches, of whatever grade, are ully warranted, and this warrantee is good at all times against us or our agents in all parts of the

CAUTION .- The public are cautioned to buy only of respectable dealers. All persons selling counterfeits will be represented.
