DR. SCHENCK'S MANDRAKE PILLS A SUBSTITUTE FOR CALOMEL.

These Pills are composed of various roots having the power to relax the secretions of the liver as promptly and effectually as blue pill or mercury, and without producing any of those disagreeable or dangerous effects which often follow the use of the latter.

In all bilious disorders these Pills may be used with confidence as they promote the discharge of vitiated bile, and remove those obstructions from the liver and biliary ducts, which are the cause of bilious affections in general. SCHENCK'S MANDRAKE PILLS cure St. Headache, and all disorders of the Liver, indicated by yellow skin, coated tongue, costiveness, drowsiness, and a general feeling of weariness and lassitude, showing that the liver is in a torpid or obstructed condition.

In short, these Pills may be used with advantage in all cases when a purgative or alterative medicine is required. Please ask for "Dr. Schenck's Mandrake Pills," and observe that the two likenesses of the Doctor are in the Government stamp--one when in the last stage of Consumption, and the other in his present health.
