THE FASHIONABLE DEMAND
J. W. Bradley's Celebrated Patent
DUPLEX ELLIPTIC
(OR DOUBLE SPRING)
SKIRT.
 The Wonderful Eventuality and great comfort and pleasure to any Lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded Assemblies, Operas, Carriages, Railroad Cars, Church Pews, and Clubs. The Duplex Elliptic Skirt is the only one that can be folded when in use to occupy a small space in the trunk, and is equally as a Silk or Muslin Dress, an invaluable quality in travelling, and is made in a single Spring Skirt.
 A Lady having enjoyed the pleasure, comfort, and great convenience of wearing the Duplex Elliptic Skirt, will willingly forego with her own. For Children, Misses and Young Ladies they are superior to all others.
 They will not bend or break like the Single Spring, but will preserve their perfect and graceful shape when thrown on or over a chair, and will have been thrown aside as useless. The legs are covered with double and triple steel, and the bottom ends are not only double springs, but triple (or quadruple) covered, preventing them from bending when they are thrown on or over a chair, and so on.
 The Duplex Elliptic is a great favorite with all ladies and is universally recommended by the Fashionable World as the STANDARD SKIRT OF THE FASHIONABLE WORLD.
 To enjoy the following invariable advantages in travelling, viz: superior quality, perfect construction, stylish shape and finish, flexibility, durability, comfort and economy, require for J. W. Bradley's Duplex Elliptic Double Spring Skirt, and be sure and get the genuine article.
CAUTION.—To guard against IMITATIONS be particular to observe that skirts offered as "DUPLEX" have the red ink stamp, viz: "J. W. Bradley's Duplex Elliptic Double Spring Skirt" upon the waistband—some others are genuine, but will not stand the test of a genuine article, and will not stand the test of a genuine article, and will not stand the test of a genuine article.
