A HUMBBUG.

HOW OFTEN WE HEAR THIS EXPRESSION from persons reading advertisements of Patent Medicines, and in nine cases out of ten they may be right. It is over 19 years since I introduced my medicine, the VENETIAN LIMENT, to the public. I had no money to advertise it, so I left it for sale with a few druggists and storekeepers through a small section of the country...

THE Moon's Volcanoes are engaging the attention of astronomers, but the world of Beauty and Fashion is less interested in human dis-oversies than in the great question of TURNING THE HEADS.

A LUNATIC, as not to admit that the finest and most harmless hair-dresser in existence is CRISTADORO'S HAIR DYE, which nourishes the fibres as well as changes their hue.

ALLCOCK'S POROUS PLASTERS. BEST STRENGTHENING PLASTER IN THE WORLD. ALLCOCK'S POROUS PLASTERS relieve and assuage pain by calling forth the acrid humors from parts internal to the skin and general circulation.

There is nothing equal in the way of a plaster, to the Porous Plaster of Mr. ALLCOCK. Everything is pleasant about them. They are the plaster of the day, and a fit type of our present advancement in science and art.

HELMHOLD'S EXTRACT BUCHU and improved Rose Wash cures secret and chronic disorders in all their stages, at little expense, little or no change in diet, no inconvenience, no exposure. It is pleasant in taste and odor, immediate in its action, and free from all injurious properties.

SCHEMCK'S SEAWEEED TONIC.

This medicine, invented by Dr. J. H. SCHEMCK, of Philadelphia, is intended to dissolve the food and make it into chyme, the first process of digestion. By cleansing the stomach with Schemck's Mandrake Pills, the Tonic soon restores the appetite and food that could not be eaten before using it will be easily digested.

Consumption cannot be cured by Schemck's Pulmonic Syrup unless the stomach and liver is made healthy and the appetite restored. Hence the Tonic and pills are required in nearly every case of consumption. A half dozen bottles of the SEAWEEED TONIC and three or four boxes of the MANDRAKE PILLS will cure any ordinary case of dyspepsia.

Dr. SCHEMCK makes professional visits in New York, Boston, and at his principal Office in Philadelphia every week. See daily papers of each place, or his pamphlet on consumption for his days of visitation.

Please observe, when purchasing, that the two likenesses of the Doctor, one when in the last stage of Consumption, and the other as he now is, in perfect health, are on the Government stamp.

Sold by all Druggists and Dealers, price \$150 per bottle, or \$7 50 per half dozen. All letters for advice should be addressed to Dr. SCHEMCK'S Principal Office, No. 15 North 6th Street, Philadelphia, Pa.

REASONS WHY THE AMERICAN WATCH Made at WALTHAM, MASS., is the best. It is made on the best principle. Its frame is composed of SOLID PLATES. NO JAR can interfere with the harmony of its working and no sudden shock can damage its machinery.

At the beginning of our enterprise more than ten years ago, it was our first object to make a thoroughly good low priced watch for the millions, to take the place of these foreign impositions; the refusal of foreign factories, which were entirely unsuitable at home and perfectly worthless everywhere.

How well we have accomplished this, may be understood from the fact that after many years of public trial, we now make MORE THAN HALF OF ALL THE WATCHES SOLD IN THE UNITED STATES, and that no others have ever given such universal satisfaction.

While this department of our business is continued with increased facilities for perfect work, we are at present engaged in the manufacture of watches of the very HIGHEST GRADE KNOWN TO CHRONOMETRY, unequalled by anything hitherto made by ourselves, and unsurpassed by anything made in the world.

For this purpose we have the amplest facilities. We have erected an addition to our main building expressly for this branch of our business, and have filled it with the best work men in service. New machines and appliances have been constructed which perform their work with consummate delicacy and exactness.

The choicest and most approved materials only are used, and we challenge comparison between this grade of our work and the finest imported chronometers. We do not pretend to sell our watches for less money than foreign watches, but we do assert without fear of contradiction that for the same money our product is incomparably superior.

All our watches, of whatever grade, are fully warranted, and this warranty is good at all times against us or our agents in all parts of the world.

CAUTION.--The public are cautioned to buy only of respectable dealers. All persons selling counterfeits will be represented.

LAEST FASHIONS DEMAND J. W. Bradley's Celebrated Patent DUPLEX ELLIPTIC SKIRT.

The Wonderful Flexibility and great comfort and pleasure to any Lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded Assemblies, Operas, Carriages, Railroad Cars, Church Pews, Arm Chairs, for Promenade and House Dress, as the skirt can be folded when in use to occupy a small space as easily and conveniently as a Silk or Muslin Dress, an invaluable quality in crinolines, not found in any Single Spring Skirt.

A Lady having enjoyed the pleasure, comfort, and great convenience of wearing the Duplex Elliptic Skirt will be surprised to find that it will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

They will not bend or break like the Simple Spring, but will preserve their perfect and graceful shape when three or four ordinary skirts will have been thrown aside as useless. The hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice (or double) covered; preventing them from wearing out when dragged down stoops, stairs, &c.

The Duplex Elliptic is a great favorite with all ladies and is universally recommended by the Fashion Magazines as the STANDARD SKIRT OF THE FASHIONABLE WORLD.

To enjoy the following inestimable advantage in Crinolines, viz: supreme quality, perfect manufacture, stylish shape and finish, Flexibility, durability, comfort and economy, enquire for J. W. Bradley's Duplex Elliptic or Double Spring Skirt, and be sure and get the genuine article.

CAUTION.--To guard against IMPOSITION be particular to NOTICE that skirts offered as "DUPLEX" have the red ink stamp, viz: "J. W. Bradley's Duplex Elliptic Skirt Springs," upon the waistband--none others are genuine. Also notice that every Hoop will admit a pin being passed through the centre, thus revealing the two (or double) springs braided together therein, which is the secret of their Flexibility and strength, and a combination not to be found in any other Skirt.

For Sale in all Stores where First Class skirts are sold throughout the States and Elsewhere. Manufactured by the Sole Owners of the Patent, WEST BRADLEY & CAREY, 97 Chambers and 79A St. Reade St., N. Y. v6a22-3mos
