**W. O. GARDNER & CO.**  
Nicholson, Pa.

**LATEST FASHIONS DEMAND**  
**J. W. Bradley's Celebrated Patent**  
**DUPLEX ELLIPTIC**  
(OR DOUBLE SPRING)  
**SKIRT.**

The Wonderful Flexibility and great comfort and pleasure to any Lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded Assemblies, Operas, Carriages, Railroad Cars, Church Pews, Attic Chairs, for Promenade and House Dress, as the skirt can be folded when in use to occupy a small space as easily and conveniently as a Silk or Muslin Dress, and is invaluable quality in crinolines, not found in any Single Spring Skirt.

A Lady having enjoyed the pleasure, comfort, and great convenience of wearing the Duplex Elliptic Spring Skirt for a single day, will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

They will not bend or break like the Single Spring, but will preserve their perfect and graceful shape when three or four ordinary skirts will have been thrown aside as useless. The hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice (or double) covered, preventing them from wearing out when dragging down stoops, skirts, &c.

The Duplex Elliptic is a great favorite with all ladies and is universally recommended by the Fashion Magazines as the STANDARD SKIRT OF THE FASHIONABLE WORLD.

To enjoy the following inestimable advantage in Crinolines, viz: supreme quality, perfect manufacture, stylish shape and finish, Flexibility, durability, comfort and economy, enquire for J. W. Bradley's Duplex Elliptic or Double Spring Skirt, and be sure and get the genuine article.

**CAUTION.**—To guard against IMITATION be particular to NOTICE that skirts offered as "DUPLEX" have the red ink stamp, viz: "J. W. Bradley's Duplex Elliptic Steel Springs" upon the waistband—none others are genuine. Also notice that every Hoop will admit a pin being passed through the centre, thus revealing the two (or double) springs braided together therein, which is the secret of their Flexibility and strength, and a combination not to be found in any other Skirt.

For Sale in all Stores where First Class skirts are sold throughout the States and elsewhere.

Manufactured by the Sole Owners of the Patent,  
**WEST, BRADLEY & CAREY,**  
97 Chambers and 79 & 81 Reads Sts., N. Y.  
v6n22-3mo
