"MEXICO UNDER MAXIMILIAN."

BY HENRY M. FLINT, ESQ.,

Author of "Druids' Letters," "Life of Senator Douglass," &c.

12mo. Green English Cloth, $2.00.

In presenting this work to the Public, the Publishers are actuated by a desire to furnish a cheap and convenient vehicle for the transmission of light and instruction to the masses upon a subject concerning which, there is both doubt and misapprehension in the minds of all classes of our countrymen. This has arisen as much, perhaps, from the heretofore imperfect sources of intelligence concerning that unhappy country, as from the influence of our domestic politics upon the questions growing out of the consideration of its History. The Revolution through which our own Country has just passed, has not been without its influence, though indirectly, upon the fortunes of the Mexican Nation, and while we contemplate the wonderful changes wrought in the United States by five years of strife, we are naturally led to inquire the results achieved by the revolutions of our Southern Sister once the Republic and now the Empire of Mexico. Our Author has answered this inquiry in a manner both satisfactory and conclusive, in the Volume we have just issued from the Press, and we commend it to the citizens of the United States as an invaluable contribution to cotemporaneous History. Mr. Flint clearly demonstrates among other things, that the Maximilian Government in Mexico is firmly established; that the people have abandoned Juarez, (whose troops are said to consist now of but a few bands of guerillas,) and joined Maximilian; and that the popular prejudices in this Country against the establishment of an Empire in Mexico are wrong, because in asserting the Monroe Doctrine we are running counter to the wishes of the Mexican people, and taking from them their exclusive right to settle their own affairs in their own way and to their own satisfaction. Facts and documents are presented to show that the Empire is maintained now without the aid of France and solely by the Mexican people—the merchant clergy, and better sort of people generally The book gives a good insight into the policy which our own Government has pursued in Mexican affairs, as well as many facts and statistics of interest and value.

If the Mexican people have chosen a constitutional monarchy as a cure for the anarchy which for so many years convulsed the Republic, and if their choice turns out wisely, then who among us dare say to them: Put away peace, law, prosperity and the Empire, and take back faction, war, lawlessness, ruin and the Republic;

NATIONAL PUBLISHING CO.

CONSUMPTION CURABLE BY DR SCHENCK'S MEDICINES.

TO CURE CONSUMPTION, the system must be prepared so that the lungs will heal. To accomplish this, the liver and stomach must first be cleansed and an appetite created for good wholesome food which, by these medicines will be digested properly and good healthy blood made; thus building up the constitution. SCHENCK'S MANDRAKE PILLS cleanse the stomache of all bilious or mucous accumulations; and, by using the Sea Weed Tonic in connection, the appetite is restored.

SCHENCK'S PULMONIC SYRUP is nutricious as well as medicinal, and, by using the three remedies, all impurities are expelled from the system, and good, wholesome blood made, which will repel al disease. If patients will take these medicines according to directions. Consumption very frequently in its last stage yields readily to their action. Take the pills frequently, to cleanse the liver and stomach. It does not follow that because the bowels are not costive they are not required, for sometimes in diarrhœa they are necessary. The stomach must be kept healthy, and an appetite created to allow the Pulmonic Syrup to act on the respiratory organs properly and allay any irritation. Then all that is required to perform a permanent cure is, to prevent taking cold. Exercise about the rooms as much as possible, eat all the richest food—fat meat, game and, in fact, anything the appetite craves; but be particular and masticate well. v6n12-2ndw-ea-o-r,

A HUMBUG.

HOW OFTEN WE HEAR THIS EXPRESSION from persons reading advertisements of Patent Medicines, and in nine cases out of ten they may be righ. It is over 19 years since I introduced my medicine, the Venetian Liniment, to the public. I had no money to advertise it, so I left it for sale with a few druggists and storekeepers through a small section of the country, many taking it with great reluctance; but I told them to let any one have it, and if it did not do all I stated on my pamphlet, no one need pay for it. In some stores two or three bottles were taken on trial by persons present. I was, by many, thought crazy, and that would be the last they would see of me. But I knew my medicine was no humbug In about two months I began to receive orders for more Liniment, some calling it my valuable Liniment, who had refused to sign a receipt when I left it at their store Now my sales are millions of bottles yearly, and all for cash. I warrant it superior to any other medicine for the cure of Croup, Diarrhœa, Dysentery, Colic. Vomiting Spasms, and Sea-sickness, as an internal remedy.—It is perfectly innocent to take internally, see oath accompanying each bottle,—and externally for Chronic Rheumatism, Headache, Mumps, Frosted Feet, Bruises, Sprains, Old Sores, Swellings, Sore Throats, &c., &c. Sold by all the Druggists. Depot, 56 Cortlandt Street, New York. v6n30-7w.
