

Local and Personal.

Mackerel—At A. B. Mott's. Mess Pork by the pound or bbl., at A. B. Mott's Dry Goods, bought since the recent fall in prices, at A. B. Mott's.

The Season—So far, the present season has been one of the finest ever known for transplanting Cabbage plants.

For \$375.00, you can buy, at the Music Depot of L. B. Powell, Scranton, a Haines Bros Piano, seven octaves, full iron Plate, overstrung bass, and other, and other modern improvements.

Register in Bankruptcy—The Scranton City papers announce the appointment, by Chief Justice Chase, of E. N. Willard Esq., of that city, as the Register in bankruptcy for that Congressional District.

Thousands have been changed by the use of the Peruvian Syrup (a proteid of Iron) from weak, slinky, suffering creatures, to strong, healthy and happy men and women, and invalids cannot reasonably hesitate to give it a trial.

Our Public Schools were opened on Monday last with an attendance of about 150 pupils. We still observe now and then a truant boy around in the streets during school hours.

Preserving Furs.—The following for preserving furs will interest our lady readers about now:—One ounce gum camphor, and one powdered shell of red pepper, are macerated in eight ounces of strong alcohol for seven days and then strained.

The Side-walks—ordered upwards of a year ago, by the borough Authorities, in some few places remains uncut; notwithstanding repeated notices have been given that they must be built.

A Fine Residence.—The one owned and lately occupied, by C. M. Koon in this Borough, is now offered for sale. The house is in perfect repair with good barn, outhouses, arbors, cistern, and other conveniences.

Murder at Scranton.—The Scranton papers record a most brutal and cold-blooded murder. On Tuesday night or on Wednesday morning last, Dr. J. D. Durkin, the victim, who had a suite of rooms and office in Zeidler's Block, on the principal street, retired to his bed at about 10 o'clock P. M.

Magnificent Literary Fabric.—Webster's Quarto Dictionary has passed through various editions, each an improvement upon and an enlargement of the preceding, until it has culminated in the present magnificent literary and linguistic fabric.

Our First Parents, having eaten of the fruit of the forbidden tree, in the Garden of Eden, and thereby incurring the displeasure of the Almighty, from that time, henceforth and forever were themselves and their posterity, subjected to certain onerous burdens and severe penalties.

We have often thought, on seeing a woman toiling over a steaming wash-tub and board, that the task of washing should have been mentioned, among the other pains and penalties then and there incurred; but since seeing the operations of Mr. L. R. Little of N. Y., with his Patent Washing Machine—who, to show it up, washed some of our dirty linen—

This machine certainly will, without any hand-rubbing at all, make dirty clothes look clean and bright. We hope the proprietor of the patent may make sale of it, to some enterprising business man here who will see that one finds its way into every house in the county.

Improvements.—One of the best evidences of the increasing prosperity and growing enterprise of our town, is the necessity for, and the substitution of, machinery, in performing that which has heretofore been done by the drudgery of manual labor.

Mr. D. L. Peckham & Co. on Court House Square, who were the pioneers in this class of improvements, have a good shop, where, Planing, Moulding, Mortising and joint work in wood of all kinds is neatly, accurately and expeditiously done by improved machinery and steam.

Mr. James Young, north of the Court House square has just set up and has now in full operation, a new first-class engine, with planers, sash, blind and door machinery. In short, he has just such an establishment as has long been needed here; and one which, while it is a great convenience to the public; must prove remunerative to its energetic proprietor.

Miller & Avery, of their Foundry and Machine-Shop in the upper end of town, have added one of the largest and best planers now in use. This firm besides, planing, matching, circular and scroll work, in wood; continue to manufacture all kinds of farming implements tools and machines.

ENFERLED AND DELICATE CONSTITUTIONS, of both sexes, use Helmbold's Extract, Buchu. It will correct and give energetic feelings and enable you to sleep well.

GRAND CELEBRATION OF THE NINETY-THIRD ANNIVERSARY OF AMERICAN INDEPENDENCE AT TUNKHANNOCK, PA. Thursday, July 4th, 1867 AT 11 O'CLOCK, A. M.

The 4th of July next, will be celebrated at Tunkhannock, by LAYING THE CORNER STONE OF THE NEW PRESBYTERIAN CHURCH, WITH MASONIC CEREMONIES.

The DECLARATION OF INDEPENDENCE will be read, and an appropriate oration delivered by a DISTINGUISHED SPEAKER, FROM ABROAD.

At the close of the ceremonies, a A DINNER, ICE CREAM, and other refreshments will be served by the Ladies of the church, which are to be appropriated to the furnishing of the new Church. The TUNKHANNOCK BRASS BAND will lead the procession and furnish music for the occasion.

Adjoining Lodges, and individual members of the Fraternity are cordially invited to participate in the ceremonies in full Masonic Regalia. A pleasant and interesting day may be anticipated. ALL ARE INVITED TO ATTEND.

THE HEAD OF A COMET, according to Milton, is rendered tenfold more terrible by its "Horrid Hair," and there are thousands of fiery human heads which might be rendered charming by simply changing their tint to a mellow brown, or a perfectly natural black with CRISTADORA'S HAIR DYE.

It is ridiculous to carry into society a grey, sandy or curiously head, when five minutes would render it as attractive as Nature could have made it in her happiest mood. Manufactured by J. CRISTADORA, 6 Astor House, New York, Sold by druggists. Applied by all Hair Dressers.

IMPORTANT QUALITIES. BRANDRETH'S PILLS SO STIMULATE at the internal powers of the system that every poison or impurity is forced from the blood into the bowels and thus passes off. Recent cases of sickness will often be cured by the effect of 6 or 8 Brandreth's Pills, which, when the operation is full and complete leave the blood as free from poisonous and unhealthy matter as that of a new born babe.

GRACE'S CELEBRATED SALVE. Amesbury, Mass., Oct. 13th 1867, Mr. Grace—Dear Sir—Having been afflicted grievously for several weeks with a severe abscess upon my side, I used several remedies for its eradication without receiving any relief, until I applied your salve, which affected a speedy and permanent cure. I therefore feel happy to certify my confidence in its virtues. Yours with respect, JAMES BEAN.
