MANHOOD: How Lost, How Restored.

Just published, a new edition of Dr. Culverwell's Celebrated Essay on the radical cure (without medicine) of Spermatorrhea, or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc.; also Consumption, Epilepsy, and Fits; induced by self-indulgence or sexual extravagance.

Price, in sealed envelopes, only 6 cents. The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife—pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his constitution may be, may cure himself cheaply, privately, and radically.

This Lecture should be in the hands of every youth and every man in the land. Sent under seal, to any address, in a plain sealed envelope, on the receipt of six cents, or two postage stamps. Also Dr. Culverwell's "Marriage Guide," price 25 cents. Address the publishers, CHAS. J. C. KLINE & CO., v6d-1 wery, New York, Post Office Box 4,566 127 Boyer.

LATEST FASHIONS DEMAND

J. W. Bradley's Celebrated Patent DUPLEX ELLIPTIC SKIRT.

The Wonderful Flexibility and great comfort and pleasure to any Lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded Assemblies, Operas, Carriages, Railroad Cars, Church Pews, Arm Chairs, for Promenades and House Dress, as the skirt can be folded when in use to occupy a small space as easily and conveniently as a Silk or Muslin Dress, an invaluable quality in crinoline, not found in any Single Spring Skirt.

A Lady having enjoyed the pleasure, comfort, and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day, will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

They will not bend or break like the Single Spring, but will preserve their perfect and graceful shape when three or four ordinary skirts will have been thrown aside as useless. The hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice (or double) covered; preventing them from wearing out when dragging down steps, stairs, &c.

The Duplex Elliptic is a great favorite with all Ladies and is universally recommended by the Fashion Magazines as the STANDARD SKIRT OF THE FASHIONABLE WORLD.

To enjoy the following inestimable advantage in Children, viz: supreme quality, perfect manufacture, stylish shape and finish, Flexibility, durability, comfort and economy, enquire for J. W. Bradley's Duplex Elliptic or Double Spring Skirt, and be sure and get the genuine article.

CAUTION.—To guard against IMPOSITION be particular to NOTICE that skirts offered as "DUPLEX" have the red ink stamp, viz: "J. W. Bradley's Duplex Elliptic Steel Springs," upon the waistband—none others are genuine. Also notice that every Hoop will admit a pin being passed through the centre, thus revealing the two (or double) springs braided together therein, which is the secret of their flexibility and strength, and a combination not to be found in any other Skirt.

For Sale in all Stores where First Class skirts are sold throughout the States and elsewhere. Manufactured by the Sole Owners of the Patent, WESTS BRADLEY & CAREY.

Ayer's SARSAPARILLA

THE WORLD'S GREAT REMEDY FOR Scrofula and Scrofulous Diseases.

From Emory Edes, a well-known merchant of New York, N.Y. "I have sold large quantities of your SARSAPARILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our agents try it, they agree that there is no medicine like it before in our community."

Eruptions, Pimples, Blisters, Pustules, Ulcers, Sores, and all Diseases of the Skin. From Rev. Robt. Stratton, Bristol, England. "I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. Jane P. Rice, a well-known and much-esteemed lady of Deseronto, Cape May Co., N.J. "My daughter has suffered for a year past with a scrofulous eruption, which was not otherwise cured. Nothing afforded any relief until we tried your SARSAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known firm of Murray & Co., manufacturers of medicinal papers in Nashua, N. H. "I had for several years a very troublesome humor in my face, which grew constantly worse until it disgusted my features and became an intolerable affliction. I tried almost every thing a man could do both in medicine and diet, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new eruption began to form upon my blotches, and was continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy my usual health, and without a doubt owe it to your SARSAPARILLA."

Erysipelas—General Debility—Purify the Blood. From Dr. Robt. Harris, Houston St., New York. "Dr. AYER'S Sarsaparilla is a most effective and Scrofulous Sore by the persevering use of your SARSAPARILLA, and I have just now cured an attack of Malignant Erysipelas with it. No alternative we possess equals the SARSAPARILLA you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Waltham, Ohio. "For twelve years I have had the Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicine. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA, and took ten bottles, and some of your PILLS. Together they have cured me. I am now as well and sound as any body. Being in a public place, my cure has covered his face. Having tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the ointment of the same name to the first sore, and was well when we had finished the second. The child is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Erysipelas and Mercurial Discharge. From Dr. H. H. Smith, of St. Louis, Missouri. "I and your SARSAPARILLA a most effective remedy for the secondary symptoms of Syphilis and Erysipelas, and a most effective remedy for the same. The profession are indebted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Lowell, Mass., who is a prominent member of the Legislature of Massachusetts. "Dr. AYER'S Sarsaparilla has cured me of Syphilis, both of the primary and secondary type, and effected in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required."

From Mrs. S. Van Zee, of New Brunswick, N. J. "I had dreadful ulcers on my legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy of treatment that could be applied, until the persevering use of AYER'S SARSAPARILLA relieved them. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him."

Leucorrhoea, Whites, Female Weakness, are generally produced by internal Scrofulous Ulceration, and are very often cured by the alterative effect of this SARSAPARILLA. Some cases require, however, in aid of the SARSAPARILLA, the skillful application of local remedies.

From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati. "I have found your SARSAPARILLA an excellent alterative in disease of females. Many cases of irregularity, Leucorrhoea, Internal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment."

A lady, unwilling to allow the publication of her name, writes: "My daughter and myself have been cured of a very debilitating Leucorrhoea of long standing, by two bottles of your SARSAPARILLA."

Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia, when caused by Scrofulous Ulceration, are rapidly cured by this EXT. SARSAPARILLA.

AYER'S CATHARTIC PILLS

possesses so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.

Prepared by J. C. AYER, M. D., & Co., Lowell, Mass., and sold by
