All Necessary Change of Lenses Free Within Two Years.

Eyes and sight examined free. Overcoming of headache, nervousness, (produced by eye strain) my specialty. Glasses fitted from \$2.00 up. No drops or drugs used. You can find me at Meyersdale every two weeks, and necessary correction or change of lenses

absolutely free at any time within two years; special arrangements for Kryptok and Toric lenses; particular attention given to children.

The first great fundamental principle of success in any business is a thorough and complete knowledge of that business. My method is exclusive and the product of my own diligence and investigation. The many thousands of cases which have passed through my hands have added greatly to my skill. I explain the eyes, their defects and relation to human ills. I also demonstrate to you how glasses produce natural strain and functional harmony. When you consult me you take no chances, as I am in Meyersdale, at Collins' Drug Store, every two weeks. The one price pays for the care of your eyes for two years. My reputation is a guarantee that you will get a service unequalled. My scientific careful test, my accurate fitting and my prices are cords that bind me to my patrons with a confidence which cannot be shaken; they have had my service, know it is the best, and stay with me.
