

COUNTY S. S. CONVENTION ADJOURNS

ADOPTS RESOLUTIONS.

The following resolutions were adopted at the Sunday school convention held at Rockwood:

We, your committee on resolutions, have framed and do submit the following for your consideration:

Be it resolved, That we thank our heavenly Father for his tender care and blessings which we have enjoyed during the year just closed and that with new endeavor and intense effort we enter the year which is before us, asking great things of God and attempting great things for him.

Inasmuch as the International system of lessons has done so much for us we are indebted to their formers, but with a conviction that they have fulfilled their mission and are inadequate longer to satisfy the growing demand for progress, we recommend that their use be discontinued in favor of a graded system.

That even a moderate use of tobacco and cigarettes be denounced and discouraged by all members of this convention and that we pledge our support of the recent act of our legislators prohibiting the sale or use of the same to or by anyone under 21 years of age.

That we pledge our support to any effort made for advanced steps in teacher training work.

We recommend to your approval a trained superintendency and ask that our executive committee set aside one of Marion Lawrence's books to be studied each year, in view of a better efficiency.

We as a convention condemn as a "restraint of law" the recent interpretation of the Brooks high license law as made by the court of Somerset county and that we file our protest against the reflections cast upon the more than 6,000 well-thinking and intelligent signers of the recent remonstrance submitted to said court petitioning against the wholesale granting of license: also that we resent the court's interpretation as being foreign to the spirit of the law and out of harmony with sound exegesis. This convention goes upon record pledging our individual effort and strength to the conflict against the saloon and its henchmen until the saloon is no more.

That each delegate carefully and prayerfully report each session of this convention to the school at home, and above all, emphasize the importance of missionary opportunity of the Sunday school.

That we appreciate the splendid music furnished by our brother, Prof. Maxwell, and his helpers and that he be awarded a medal of love cherished in heart and memory.

That we are greatly indebted to our county officers for their efficient work and that we tender them our best wishes and sincere gratitude.

That the convention extend to the speakers who served us so efficiently its sincere thanks.

That the convention extend to the people of Rockwood sincere thanks for their generous entertainment and likewise for the use of their church.

This report was signed by the committee—The Rev. I. Jay Duke, P. E. Vincent, F. B. Knepper, the Rev. G. A. Hartung, W. L. Mills, the Rev. E. B. Runkholder, M. D. McIntyre, Jacob B. Hechler, Edward Snyder, W. F. Speicher.

The other convention committees were as follows:

Temperance—The Rev. H. A. Buffington, Fred Groff, the Rev. R. L. Aitken, the Rev. H. G. Moody, the Rev. J. C. McCorney and Mrs. Azubah Jones.

Nomination—Lloyd Mountain, W. E. Putnam, J. H. Lehman, the Rev. M. S. Hassler, the Rev. C. A. Hartung, Mrs. Harvey G. Hamer and Ira Bauer-master.

Superintendent of the cradle roll, Mrs. C. I. Shaffer, home department, Lloyd Kurtz of Confluence, teacher training, the Rev. J. C. McCorney, of Friedens, organized adult bible-classes J. S. Miller, of Somerset, missionary, Jesse G. Deeds, of Somerset, temperance, Mrs. Azubah Jones, of Boswell, secondary division, Lloyd Mountain, of Confluence.

The next conference will be held in Somerset.

The following report was submitted by the committee on temperance and moral reform was adopted by the convention.

COLD WATER FOLKS UNDISTURBED.

Since last we met at a Sunday school convention of Somerset county at Confluence, much work was done along temperance lines by all the temperance organizations, including the Sunday schools. While some may be discouraged by what appears on the surface to be a failure, yet the recent "dry" campaign has revealed a temperance strength within the bounds of the county that has caused a trembling in the enemy's camps.

There is a widespread, deep-seated feeling that greater results should have been forthcoming and we deeply deplore that the signatures of over 6,000 of the noblest men and women of the county who strongly remonstrated against the saloon evil should

be considered by the court as "no evidence" against the applicants for license. Has the Brooks law that offers the opportunity of remonstrating been abolished and become a dead letter? Is it really a fact that these 6,000 high grade men and women are tending toward the ranks of the anarchist and that the saloon element has suddenly become the hope of the nation and the law abiding element in American citizenship? Shall we desert our standard and enroll in their ranks for the nation's good? We recommend that the war be waged as vigorously as ever in the year to come though the method may be changed, and the convention select a date in the fall when a conference of all temperance bodies be called together to perfect plans for the prosecution of the work. While we rejoice in the passing of an anti-cigarette bill and ask that all put forth an effort to insure its enforcement, yet we record an equal gratification over the passage of the Webb-Kenyon bill, which will prove a most effective weapon in the further curtailment of the traffic.

We wish to record our delight over the fact that the saloon traffic gained nothing in this present legislature, but that temperance showed on almost every vote a great gain over any previous record.

Resolved, That we will not give our support to any candidate in state or county, for any office, who will not announce himself fairly and squarely on the side of temperance. We hold that any man or woman who does not aid the cause of temperance is not worthy to be a teacher or officer in the Sunday school. With a firm trust in the power of a prayer-hearing and a prayer-answering God, we as a convention of Sunday school workers turn our faces toward the future and pledge ourselves to the work of our Master's kingdom with courage, faith and determination and an unequivocal declaration of our loyalty, also our unflinching adherence to the work which stands for the saloon's complete annihilation.

The temperance committee was composed of the Rev. H. A. Buffington, Fred Groff, the Rev. R. L. Aitken, the Rev. R. G. Moodo, the Rev. J. C. McCorney and Mrs. Azubah Jones.

FIVE FOREIGNERS CAUGHT AT ROBBERY.

WINDBER, June 17—Walter Supresky, aged 10; Stiny Stupesy, aged 14; Srinj Vocasky, aged 12; John Plochen, aged 12 years and Andy Cramer, aged 10, Slavish boys, last night were given in charge of Probation Officer E. E. Pugh, of the Somerset County Juvenile court after a hearing before Justice Robert G. Colborn, of this place, on charges of theft. The boys are in the lock-up and Chief Mullen said he might take them to Somerset this afternoon.

Evidence produced at the hearing showed the youngsters full of thievish ardor and persistence. Sunday, June 8, the first four boys had sneaked into the Eureka's big store on Fifteenth street and got away with a lot of goods. A watchman was on guard every night during the succeeding week and he maintained a rigorous vigil. But Sunday so it is said, he came out of the store, for a spell, leaving an outside door to the cellar open. In a very few minutes the four boys of the previous escapade, accompanied by Andy Cramer had gotten into the place.

The youngsters took, among other things, two revolvers, a lot of lead and steel bullets, tobacco, foods, etc. Some of the loot they hid in the sand on the way to No. 35, where they reside. After the second robbery, again on a Sunday was discovered, it did not take long to track and arrest the boys and then they were not long in confessing.

MERCURY RISING.

Many have forgotten that just a few days ago they complained of cold weather. There has been little cause for complaining in this respect lately, but, on the other hand, the mercury has been rising until it reached the sizzling stage and the predictions are made that warm weather with clear skies over the greater part of the country, will prevail. There will be scattered thunder showers the first of the week along the northern border and by the middle of the week, showers will set in along the east, gulf and south Atlantic coasts.

REPAIRING THE CHURCH

The tower and roof of the Lutheran church are being repaired this week. Copper valleys are being installed and other improvements made. Messrs. Fleck and Noy, of Somerset, are the contractors. The expense will amount to \$500. The new carpet recently laid, adds much to the beauty of the interior of the church. The debt fund is progressing nicely. By the end of this week \$1500 in cash will have been reached.

INTENSE HEAT.

Evansville, Ind., June 16—Today was the hottest day of the year, many street thermometers registering 108 degrees.

Philadelphia June 16—The heat record here for June 16th, was equaled this afternoon, when the official thermometer on top of the Government building registered 95 degrees.

Chicago, June 16—A drop of 28 degrees in temperature brought relief to this city tonight after what was with one exception the hottest June day on record here. The maximum temperature of the day was 98.4. The wind shifted shortly after 3 o'clock and by 4 the temperature had dropped to 84 degrees. At 8 o'clock the mercury dropped to 70 degrees.

BASE BALL.

The Meyersdale base ball team has played three games this season and has learned the sweets of victory and the bitterness of defeat. The first game was played on the home grounds when Berlin was defeated by the score of 11 to 0, that augured well for our boys and had the promise of a season of many victories. On Saturday the boys went to Berlin when they suffered a defeat from those who seemed easy a few days before. The score was 6 to 3 in favor of Berlin. On Sunday the team went to Froburg, to try their ability with the boys from the neighboring state, but Froburg gained an easy victory over Meyersdale. The score at the end of the ninth inning was 9 to 0 in favor of Froburg. Better luck to Meyersdale the next time.
