FOR FLETCHER'S

CASTORIA

EGGS!

Seems odd for a bank to talk about eggs, but here is the idea:—

Last week we offered \$25.00 in gold as additional premiums of \$5.00 each for five different entries at the fair next month, giving an opportunity for every man, woman, boy or girl to compete for at least one of the \$5.00 gold pieces.

Then we were asked to add one more for some branch of the poultry department—so we are going to put a premium on eggs.

The day is fast approaching when eggs will be bought and sold by weight instead of by number.

And We Are Going to Pay \$5.00 in Gold

For the heaviest dozen single-yolk chicken eggs laid during the week of September 1st. to 8th., inclusive.

Entries to close at noon at the Fair Grounds.
