## The Suffragists.

Elaborate plans are being made to make the state convention of the Pennsylvania Woman Suffrage Association, to be held in Pittsburg, October 25-30th, exceed all past records in numbers and enthusiasm. Interesting Press, Literature and Suffrage Novelty exhibits will be on display as well as the Suffrage posters received in the \$25 Prize Poster contest. The State Association reserves the right to buy any poster design submitted even though it may not win the prize.  
The business of the convention will occupy the entire day time of three days' session, but the evenings will be given over to public mass meetings. An entertainment is planned for one evening. Speakers and further plans for the convention will be announced later.  
Three more women have recently been made members of the Legion of Honor of France. They are Mme. Cecile Louise Stephanide Chaminade-Carbonnel, the most famous woman composer living; Mile Stoude, Directress of the High School for Girls in Paris, and Mme. Prevost, Inspectress of the Department of Labor. Since the order was established in 1802 more than a hundred women have been honored by membership in it. One of the earliest elections was that of Rosa Bonheur, while Mme. Curie is one of the most famous members.

## PETITION FOR ROAD.

On petition of citizens of Stonycreek township for a new road between the Bucktown and Shanksville road, commencing near the residence of Peter Spangler, and ending near the residence of the Hon. M. D. Reel, on the Pittsburg and Philadelphia pike, Judge Ruppel has appointed the following viewers: Attorney Rufus E. Meyers of Somerset; Peter Dumbauld, of Milford township and Peter Hoffman of Paint township.

Eczema spreads rapidly; itching almost drives you mad. For quick relief, Doan's Ointment is well recommended. 50c cents at all stores.  
Is Such Economy Unwise?  
The low cost of living is dangerous. A fellow who boasted that he spent but two cents a day has been murdered by acquaintances who inferred he had money in his stocking.—Philadelphia Ledger.

## Five Solid Reasons

FIVE solid reasons why each farm needs a manure spreader are these, in the words of a farmer who has devoted much time to correct soil-feeding. 1. It saves disagreeable and hard work. 2. It pulverizes and mixes the manure mass. 3. It distributes manure evenly over the field, insuring a good, even stand of grain. 4. It prevents loss of nitrogen through fermentation or leaching in the pile when manure is hauled directly from the stable. 5. Indirectly, the ease with which it can be handled encourages the owner to care for the manure and distribute it on the fields carefully instead of wasting it.

## I H C Manure Spreaders

will work uncompromisingly for years making profits for the owners. You will find them all styles and sizes, high and low, endless apron or reverse.  
IHC manure spreaders are exceedingly durable, strong, correctly built to stand all conditions and all strains they may meet. Each feature has its purpose. Up hill or down or cutting corners, they spread all kinds of manure evenly, in a light or heavy coat at the will of the driver. The beater drive is strong and simple, beater teeth are square and chisel pointed to pulverize the manure, and the large diameter of the beater prevents winding. The rear axle, carrying a large percentage of the load, insures ample tractive power.  
But see all these things yourself at your local dealer's. Find your choice in the IHC line. The dealer has catalogues for you, or, write the

International Harvester Company of America
