

WEEK'S NEWS STORIES RETOLD

Events That Made a Stir
Condensed to a Paragraph.

WHAT WASHINGTON IS DOING

News of Interest That Trickles From
The White House and the Various
Departments—Catalogue of
Crimes and Casualties.

Washington

Secretary of the Navy Daniels recommended the building of two midgets, while the General Navy Board argued that four be built. A joint resolution making the term President and Vice President begin on the second Monday in January instead of on March 4 has been approved by three Senators, comprising a committee of the Judiciary Committee.

President Wilson received Sir William Tyrrel, Secretary to the British Foreign Minister, and discussed with him the Mexican situation. Washington is looking for the speedy return of Huerta.

Senator Owen, urging early action on the Currency bill, said delay was costing the business men of the country \$5,000,000 a day.

Personal

Perpetual sunlight, equally distributed, would make churches unnecessary, said John D. Rockefeller, on the street in front of his church, in Cleveland, as he delayed his departure to back in the bright sunlight.

Mr. and Mrs. Francis Bowes Sayre, White House couple, sailed from New York on the North German liner George Washington.

Mr. and Mrs. Francis B. Sayre returned to the White House in time to have Thanksgiving dinner.

Andrew Carnegie celebrated his 78th birthday.

General

The estate of Stephen Bull, Sr., of Racine, Wis., is valued at \$10,000,000.

Glenn Martin flew 37 miles with a passenger at a height of 9,800 feet at Los Angeles.

The working force in all Reading railroad shops will be reduced from 25,000 to ten per cent.

The late Louis H. Severance, one of the organizers of the Standard Oil Company, left an estate of \$14,508,984.

The Supreme Court of North Dakota held as constitutional the law prohibiting the sale of snuff.

More than 25,000 pounds of condemned turkey were destroyed by officials in Philadelphia.

Mrs. Martha Kelly, the official fire alarm sounder of Woodbridge, N. J., died of heart failure after sounding an alarm for a nearby fire.

William H. Taft will probably be a candidate for member of the Republican National Committee to succeed F. W. C. A. and the Y. M. C. A. of New York have succeeded in raising their \$4,000,000 building fund with a surplus of \$62,501.

Anthrax is said to be transmitted by the stable fly and gadfly, according to the public health service of Washington.

John H. McGurk who kept for years the notorious "suicide hall" on the Bowery, New York, left an estate valued at \$102,739.

Governor Glynn made public the charges in the asphalt case and they were found to involve ex-Governor Baizer and John A. Hennessy.

Trustees of the Cathedral of St. John the Divine, New York, voted to recall in the judgment of the public to decide on the new design for the exterior of the structure.

Three seamen were drowned off Woods Bay, Ore., while trying to rescue an unidentified steamer passenger, who had been swept overboard from the steamer President.

The Supreme Court at Panama decided that the Chinese registration law, requiring Chinamen to register and pay \$250 head tax or be liable to conscription, was constitutional.

Elmore Wright, a murder convict, recently paroled by Governor Blease of South Carolina, has been re-arrested for shooting his wife's cousin after his release.

At Edwardsville, Ill., Nikola Gavrilovich was sentenced to death by a jury for the murder of his wife April 3, 1910. This is the first time in twenty-five years the death penalty has been fixed in Madison county, although 650 murders have been committed in that county.

The Federal Department of Justice began a secret investigation of a "alleged corner" in storage eggs.

The famous Lafayette Hotel at New York River, N. J., was destroyed by fire at a loss of \$25,000.

Carl Thalheim, a large importer of flowers and feathers, was arrested in New York, charged with cheating the Government by undervaluations.

About 500 persons, many of them women, a few young girls, heard in New York the frank discussion of vice by Mrs. Pankhurst and others, and books dealing with the subject had a large sale.

The new \$1,000,000 Jersey City post-office was opened.

There were 2,535 persons killed and 49,911 injured in railroad accidents during the first quarter of 1913.

William Northrup, a wealthy clothing manufacturer, died in New York of bichloride of mercury poisoning.

George B. Post, the architect, died at his country home in Barnardsville, N. J.

Lincoln Beachy, the young aviator, looped the loop twice in the air above North Island, near San Diego, Cal.

The Salvation Army will next take New York city by storm with a \$400,000 fund-raising campaign.

Newton, N. J., woodmen are alarmed at the spread of blight to red and black oak trees.

The extra session of the Sixty-third Congress ended and the regular session began.

Herbert W. Ladd, twice governor of Rhode Island, is dead at Providence, aged 71.

The strike of 14,000 employees of the General Electric Company at Schenectady, has been settled and the men returned to work.

Harry Spencer, convicted of the murder of Mrs. Mildred Allison Rexroat, was sentenced to be hanged at Wheaton, Ill., December 19.

State Superintendent of Prisons J. E. Riley, ordered sweeping reforms in the women's prison at Auburn, N. Y., and said physical tortures must cease.

Cassius M. Clay, president of the Kentucky constitutional convention, in 1889, is dead at Paris, Ky., aged 70 years.

Ottoman Zar Adhusht Hanish, leader of the "sun worshippers" cult, was found guilty at Chicago of sending obscene matter by express.

Samuel L. Shank, the picturesque Mayor of Indianapolis, resigned when he heard the teamsters' riot strike, and thus avoided impeachment.

The National American Woman Suffrage Association passed resolutions urging President Wilson to favor a constitutional amendment giving women the vote nationally.

Mrs. Bessie Wakefield's counsel, Thomas F. Devine, filed with the Connecticut Court of Errors nineteen reasons why she should not be hanged March 4 and should have a new trial.

A pot of tar boiled over in the home of William Mobdy in Bayonne, N. J., and burned his adopted child to death and mortally wounded his mother. He and his wife were severely burned.

Sabotage in the Paterson silk mills, should Frederick S. Boyd be imprisoned, was approved by Socialists and Industrial Workers of the World in a New York meeting.

James Duffey, engineer on a Colorado and Southern passenger train was burned to death when his engine ran into the side of a snow covered mountain near Central City. He was pinned under the engine for two hours.

Frank Wolf, in a statement to an Assistant District Attorney, said he had paid a police captain for the privilege of running a fortune telling place in which widows and old men were swindled.

The cost of living inquiry by two departments of the government and investigations under way by Congressmen led to indications that the Beef Trust's activities would be investigated.

A receiver was appointed for the New York Real Estate Security Company, which owns or has equities in \$20,000,000 worth of property, most of it improved and in Manhattan. The liabilities are estimated at about \$16,000,000.

Sporting

A decisive triumph for the open style of play, as compared with the more conservative and less spectacular line bucking species, stands out as the main feature of the 1913 football season, which came to a close at the Polo Grounds, when the Army defeated the Navy.

If Brooklyn can make a deal for Tinker it is the prevalent opinion among baseball men that Manager Robinson would have a championship factor at Ebbets Field.

At Philadelphia Cornell defeated Penn by the overwhelming score of 21 to 0, the first football victory over the Red and Blue since 1901.

Baroness de la Roche won the cup for the longest flight by a woman aviator at Mourmelon, France, making 203 miles in four hours.

Foreign

The new German cruiser Luetow was launched at Danzig.

The Spanish cruiser Emperor Carlos V. left Cadiz for Vera Cruz.

Dowager Queen Alexandria celebrated her 69th birthday at Sandringham, England.

More than 100 persons were poisoned and 13 others are dead at Puento Ovejuna, Spain, as the result of eating bad meat.

General Chi Kuang Lung, Governor of Canton, was attacked by an assassin for the second time. General Lung, fearing treachery, personally killed four of his guards.

The failure of Mayor Diakoff, of Keff, Russia, to raise in the British money market a municipal loan of \$7,875,000 is attributed to the Jewish "ritual murder" trial of Mendel Beilis.

Premier Asquith had wire gauze screen placed on his automobile to prevent suffragette attacks on his trip from Leeds to London.

King Ferdinand, of Bulgaria, whose lengthy sojourn in Austria led to the belief that he would abdicate, has left for Sofia.

Fire swept the commercial and jewelry districts of Bombay, India, causing a loss of \$1,000,000.

WILLS.

The will of Samuel McGregor, late of Hooversville, was probated. He left his entire estate to his son, Robert W. McGregor, who is also named as executor. The will was dated January 11th, 1911, and witnessed by Susanna Edwards, and Mrs. Lawrence Berkey.

LETTERS OF ADMINISTRATION.

Letters of administration have recently been issued to Lawrence Speigle and John Speigle, in the estate of Samuel Speigle, late of Jenner twp. Bond \$44,000.

Household Notes.

If water tastes flat after boiling, pour it from one pitcher to another. This will aerate the water and overcome the flatness.

One teaspoonful of lemon juice to a quart of water will make rice very white and keep the grains separate when boiling.

The ground about a plant or shrub should be frozen to a depth of at least two inches before winter protection is applied.

Parsley plants, if moved to a pot or box now, will grow all winter. They should be placed in a sunny window in the kitchen.

If convenient, the waffle batter may be made the evening before it is used. The waffles will be lighter and more easily digested.

Those who are prone to neuralgia and rheumatism will find relief by adding a little oil of turpentine to a warm or hot bath.

If a carpet covers the whole floor, sprinkle pieces of damp paper round the sides of the room, then sweep with a carpet broom. The paper will gather the dust close to the edge of the mop board.

If convenient, the waffle batter may be made the evening before it is used. The waffles will be lighter and more easily digested.

Those who are prone to neuralgia and rheumatism will find relief by adding a little oil of turpentine to a warm or hot bath.

If a carpet covers the whole floor, sprinkle pieces of damp paper round the sides of the room, then sweep with a carpet broom. The paper will gather the dust close to the edge of the mop board.

Tan shoes will not stain if treated in the following way: Melt paraffin and coat the shoes all over. When the wax is dry, heat a cloth and polish the shoes with it. This treatment will not darken the leather.

To make geraniums bloom well in winter they require to be kept in small pots all summer. When you take them into the house in the fall do not repot them. Raise the windows every day for a little while if not too cool and do not keep them open too long.

Silk or eiderdown quilts that have become soiled can be cleaned by making a strong suds of pure white soap shaved into boiling water. Add a teaspoonful of household ammonia to every gallon of water and let the quilt soak for half an hour in it. After this squeeze the dirt out. Then rinse in tepid water, to which a handful of salt has been added.

Novel Massage Cream.

Perfect Skin Food That Removes Wrinkles and Clears Complexion.

The most delicate skin will quickly respond to the soothing and tonic effects of Hokara and when this pure skin cream is used, pimples are soon a thing of the past.

As a massage cream or after shaving it is unequalled, removing all irritations and making the skin soft and velvety.

Apply a little to the hands or face after washing and surprise yourself with the dead skin that comes off.

Hokara, is the only antiseptic massage cream, and pimples, eczema and all skin blemishes soon disappear when it is used.

Although far superior to the ordinary massage creams and sold on a guarantee of "best you ever used or money back", yet the price is a trifle, only 25c for a liberal jar; larger size 50c.

Sold on a guarantee by S. E. Thorley, Druggist.

Fashions and Fads.

Hats are not worn quite so far down on the head.

The new dances call for short skirts and full ones.

Sweaters are dazzling with their vivid brilliancy of color.

Street costumes of velvet grow more and more elaborate.

One does not see many ostrich plumes on the smartest hats.

The blouses of wash tulle are very inexpensive and durable.

Negligee of chiffon, crepe de chine or net are fur-trimmed.

Fur stoles are of good length, with diagonal or oval-shaped ends.

Many small furs are made of mole-skin, ermine and chinchilla.

Lingerie is fashioned of Japanese silk, crepe de chine or entirely of lace.

Many of the tailored skirts are cut in one piece, the seam being either in the back or front, and fitted with a long dart over each hip.

Young Women; Number Surprising.

The number of young women who suffer with weak back, dizzy, and nervous spells, dull headache and weariness is surprising. Kidney and bladder ills cause these troubles, but if Foley Kidney Pills are taken as directed relief follows promptly, and the ills disappear. Contains no habit-forming drugs.

Sold by all Dealers Everywhere.

Itching, torturing skin eruptions annoy, drive one wild. Doan's Ointment is praised for its good work. 50c at all Drug Stores.
