Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing and when it is entirely closed. Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure.

**MEDICAL SOCIETY VISIT COUNTY HOME.**

The Somerset County Medical Society met at the County Hospital on Tuesday of this week by invitation of the Poor Board and the management of the institution.

For the first time in the history of the society one half of the members were present; this was not only encouraging to the officers of the society but appeared to be pleasing to the Board of Management and the always pleasant smile on the countenances of Dr. Henry Wilson and Dr. (Mrs.) Sylvia Wilson the physician in charge was brighter for having so large a turnout. The reception was very cordial indeed. A business session was held from 10:30 to noon, during which the society was welcomed by Mr. J. W. Pook, a member of the Board and Mr. Cover, the Secretary expressed pleasure by such a large turnout, and then, for the mutual benefit and convenience of the institution and the physicians of the county explained the method or manner in which they desired patients sent to the hospital.

At the close of the business session we were led to the dining room where a lavish repast was served, and to which a lot of hungry doctors did ample justice. All dietary instructions of the doctor were for the time forgotten, ignored, violated and if some of them did not have to call in a doctor after returning home they must have taken several doses of pepsin before they went. This was a special occasion and it would have been our too bad not to have shown our appreciation of such a repast.

After the meal and while we were still too full for utterance, Dr. Henry Wilson led us through the male wards and reception rooms of the hospital each and all of which were in the most perfect order and cleanliness, bath rooms and toilet rooms in perfect sanitary condition.

He exhibited some very interesting cases and some most pathetic ones.

We were then taken in charge by Dr. (Mrs.) Sylvia Wilson who led us through the female ward where the same perfect condition was found.

The institution, its equipment and management was a revelation to the most of the members; we had heard of the institution but had no conception of the extent and completeness of it.

It is the consensus of opinion that no one need hesitate to send their friends to this institution so long as this efficient board of management and this able physical staff has charge, nothing but the warmest commendation and praise was elicited.

The pleasant countenance of Dr. Wilson and the inmates attracted all of them to him; the motherly and sisterly manner in which Dr. (Mrs.) Wilson spoke to and cared for those under her more immediate care was charming and obedience to her wishes was plainly seen.

Unstinted aid and encouragement should be given the Board of Management and efficient Hospital Staff in the necessary improvement that are yet in contemplation, and Somerset county can then well be proud of its institution for the care and treatment of these unfortunates.

In the County Home section of this splendid institution almost every one of the society members met some one from their respective communities and the universal reply to questions was almost perfect satisfaction.

We believe if more of the citizens of the county would visit this institution there would be less fault finding with it. H. C. MCDINLEY, Secretary of the Society.

jolted from their position and losing their grasps on the rope, fell to the bottom of the shaft a distance of not less than 200 feet. The bucket had descended about 100 feet when the accident occurred. Not a sign of life was visible when fellow workmen went to their aid, using the bucket route in reaching the bottom of the shaft.

Stevenson was about 35 years of age and has been employed by the Consolidation company for some years. He is survived by his widow and several children. Dixon was aged 32 and was also an experienced miner. His widow and two children survive.

**SURPRISED ON HER BIRTHDAY.**

Mrs. John Wilhelm of Summit township, was on Monday evening treated to a surprise when about thirty of her friends called at her home to celebrate the 62nd anniversary of her birth. She was the recipient of many beautiful gifts. A buffet luncheon was served after which the guests departed for their homes wishing Mrs. Wilhelm many more happy birthdays.

**BIRTHDAY SURPRISE.**

As the birthdays of Mr. and Mrs. Carl Schafer, of Summit township, are but two days apart, their friends conceived that it would be an agreeable affair to mete them out a surprise which was accomplished last Monday as the birthday of the one was on that day and the other had occurred on the Saturday preceding. A big dinner was served of which all present partook with much pleasure. The aged couple enjoyed the occasion very much.

Those present were as follows: Mr. and Mrs. Carl Schafer, Mr. and Mrs. C. C. Schafer and family, of Garrett, Mr. and Mrs. E. C. Snyder and sons, of Rockwood, Mr. and Mrs. James Furl and family of Meyersdale, Mr. and Mrs. Peter Enos and family and H. J. Marker, of Rockwood, Mr. and Mrs. Suard Marker, Mr. and Mrs. S. N. Schrock, Mr. and Mrs. Harvey Marker and daughters, Mrs. Milton Marker, Mrs. Daniel Marker, Mrs. Ellen Sanner, Mrs. Nelson Sanner, Mrs. Urias Burkholder, all of Garrett and Lewis and Elsie Schafer.

**OBSERVER HAS A WORD TO SAY.**

If the write up, in the Meyersdale Republican "Brumbaugh Day was a Hummer" is proportionately as inaccurate as is the write up "Former Foresters Frigid Reception" then indeed must Dr. Brumbaugh's ears have hummed if they did not burn on his way to Pittsburgh.

I like a good write up on any subject but I like that at least half of it should be true.

But then this is election time and some people think anything is legitimate at such a time even if it is 96 to 5 for the whiskey ring, as was the vote of the Republican committee at Pittsburgh.

By the way did you see how the Republican's Gop Elephant is loaded down with Progressives? but you will notice that they are sliding off and I suppose in the next cut his load will be the legitimate and proper ones, Bocze, Boodle, Penrose and \$25,000 checks from the Standard Oil.

OBSERVER.

**A HOME WEDDING.**

The home of Mr. and Mrs. D. Smalley, near Salisbury, was a scene of a pretty wedding on Tuesday evening September 8th, at 7:30 o'clock, when their daughter Mand, was united in marriage with Webster Fritz, by the bride's pastor, the Rev. I. S. Monn. Those present besides the family were Mrs. I. S. Monn, and son, Mrs. Harvey Newman, Julia Meese, Bess Engle, Florence Hoffman, Hazel Waller, Ada Grottelty, Pearl Newman and Mrs. Herbert Smalley, son and daughter. A dainty luncheon was served immediately after the ceremony, after which Mr. and Mrs. Fritz, left on their wedding tour by automobile enroute for Harrisburg, Gettysburg and surrounding cities.

**Luther League Convention in Baltimore.**

The Eleventh Biennial Convention of the Lutheran Leaguers of the Lutheran church in the United States, Canada, Japan, India and Porto Rico, will be held in the historic city of Baltimore Md., Sept. 22, 23rd and 24th. Extensive preparations are being made by the Lutheran churches which number over fifty in the city of Baltimore and also by the city itself to welcome the many young people of the Lutheran church who will attend this important meeting.
