**SOUPS EASY TO MAKE**

PALATABLE AND ECONOMICAL  
ADDITIONS TO THE MENU.

Enable Housewife to Utilize Leftover  
Materials Which Could Not Be  
Otherwise Employed—Three  
of the Best Recipes.

Prices of foodstuffs are keeping  
wonderfully normal, but it behooves  
the housekeeper in these uncertain  
times to learn to make the very best  
use of the supplies which she obtains,  
so that she can supply nutritious  
meals at the lowest possible cost.  
Soups provide a great deal of nutri-  
tion, and in making them cooked  
bones, whether of meat or fish, make  
a really good basis for the stock,  
while the water in which vegetables  
have been cooked is also excellent for  
soups.

Into the stock pot can go all meat  
trimmings, bones, carcasses and gib-  
lets of poultry and game, all rinds  
and trimmings of tongue, ham and  
bacon, all liquids in which meat or  
vegetables have been cooked and all  
trimmings of vegetables.

All these should be properly trim-  
med, rinsed and put into the stock  
pot. Simmer, but do not boil the  
soup. Ten minutes' rapid boiling will  
cloud a kettleful of soup. Do not add  
the vegetables until the last hour of  
cooking. The delicate flavoring of  
both meats and vegetables is easily  
driven off in the steam if they are  
boiled rapidly or cooked too long.

An easily prepared and cheap soup  
is made as follows: Place some bones,  
cooked or uncooked, in a pot with  
an onion, two carrots and two sliced  
turnips, two stalks of parsley, a little  
pepper and salt, and pour in sufficient  
water to just cover them all. Bring  
this all just to a boil, then draw the  
pan to the side of the fire, and let  
the contents simmer for two to three  
hours. Now cook and blend one-half  
an ounce of dripping and three-fourths  
ounce of flour. Strain the liquor on to  
this, stirring well. Then put all back  
on to the fire and simmer for fifteen  
minutes, and serve.

To make an inexpensive vegetable  
soup slice down half a carrot, half a  
turnip and one onion and fry them  
in one-half an ounce of clarified dri-  
pping for five minutes; then lift them  
out, make the fat hot again and fry  
in it one-half an ounce of flour until  
a brown color. Take the pan from  
the fire, add one and one-half pints of  
stock, stirring over the fire until it  
boils and is smooth, then put in the  
vegetables, a bunch of herbs and a lit-  
tle salt, and let all simmer until the  
vegetables are tender. Lift out the  
bunch of herbs and serve the soup.

This is a good onion soup: Peel  
and cut up rather small three good-  
sized onions and cook them in two  
ounces of dripping in a covered pan  
for one hour until tender, then mol-  
ten with one and a half pints of hot  
water in which a cauliflower or beans  
have been cooked or even plain wa-  
ter. Add some slices of bread cut  
diagonally and season with pepper  
and salt. Cover the pan again and  
let the contents simmer for at least  
an hour. Crush the onions through  
a sieve and just before serving gradu-  
ally add a tablespoonful of grated  
cheese, stirring rapidly into the soup  
to blend.

**Beanpot Roast.**  
One and one-half pounds of clear  
stew meat, cut into two-inch bits. Put  
into beanpot and cover. Set in oven  
two hours and bake slowly. Do not  
add anything but one-half teaspoonful  
salt. It will be rich, with lots of nice  
gravy, if cooked slowly. Nice served  
with potatoes and hot slaw. Some-  
times when nearly done take out of  
the oven and put into a good-sized  
shallow dish, put a thick layer of  
mashed potatoes on evenly all over.  
Set back in oven to brown slowly.

**THIS IS THE WAY  
TO BEAT PENROSE!**

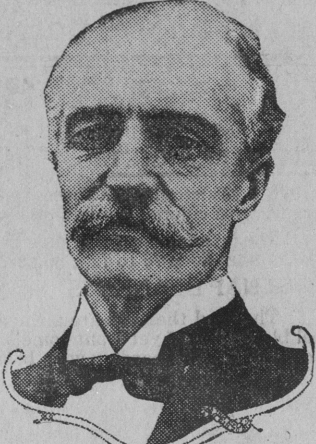

The Washington Party offers the clean-cut ave-  
nue for the defeat of Penrose and Penroseism.

The Washington Party is the Progressive Party  
for which Roosevelt stands.

The Washington  
Party stands for a  
Permanent, Progres-  
sive Prosperity, and  
for a Protective Tar-  
iff, based on the find-  
ings of a non-partisan  
Tariff Commission.

Penrose stands in  
the way of Pennsyl-  
vania's progress. He  
is the man who repu-  
diated his State in  
1912 and throttled  
the people's will.

The people of  
Pennsylvania want a  
square deal in poli-  
tics. They want nei-  
ther a Democratic Sen-  
ator nor a reactionary  
supporter of crooked  
special interests.

U. S. Senator.

**VOTE THE STRAIGHT WASHINGTON PARTY  
TICKET**

Remember what Roosevelt Says:  
"We are fighting for the same things  
now as we fought for in 1912."

Penrose cheated us in 1912, and the Democrats  
took advantage of Penroseism to pass a vicious  
tariff bill.

All together for Pinchot, McCormick, Pros-  
perity and Pennsylvania.

**MT. CARMEL SPEAKER  
LIKENS PENROSE TO  
SAVIOR OF MANKIND**

The following is part of the unpre-  
judiced report of the Penrose meeting  
at Mt. Carmel on Saturday afternoon,  
taken from the Mt. Carmel Item.

"Judge Walter, who introduced Pen-  
rose to the crowd, declared that the  
senator is one of the worst maligned  
and most shamefully abused men in  
history. He likened Penrose to Socra-  
tes, who had to drink the poisoned  
cup; to Jesus Christ, who was betrayed  
and crucified; and to Abraham  
Lincoln, the martyred President. Pen-  
rose was presented in a new light  
that of the vilified public servant, of  
the martyr, of the supporter of reli-  
gion and contributor to Foreign  
Missions."

"Penrose himself was visibly affect-  
ed by the great and glorious tribute  
paid him by the judge, and was so  
thoroughly pleased by learning of  
these new things that Mr. Walter has  
been added to his corps of stumpers.  
Thus virtue hath her own reward."

"In the course of his remarks he  
read a letter from Senator Penrose to  
Miss Fannie Derr, formerly of Lewis-  
burg, now a resident of Mount Car-  
mel, in which the senator inclosed a  
check for foreign missions. The let-  
ter which was dated September 29,  
1907, read:

"Dear Madam:—I have your letter  
of the 22nd inst., and take pleasure  
in inclosing herewith my check as a  
contribution to foreign missions. I  
hope the time is not far distant when  
the Word of God will be preached to  
the ends of the earth. Hoping that  
success may crown your efforts, I am  
respectfully yours."

**NOTE**—And this is the man whom  
the liquor associations are boosting  
for senator, and for whose defeat the  
organized churches are working and  
praying. There is something wrong  
somewhere. Something has happened  
to somebody since that ancient epis-  
tle was written. Seven years is a  
long period—a biblical period, by the  
way—and drink has accomplished  
many a man's undoing in less time  
than that.

Alas, Poor Penrose.  
Comparisons were ever odious.

**Saloonkeepers' Candidate.**  
With Dr. Brumbaugh and every sa-  
loonkeeper pulling for Penrose, is it  
any wonder that the Senator has as-  
sumed the characteristics of a Jekyll  
and Hyde, principally Hyde?—Johns-  
town Tribune.

**Wayne for Pinchot.**  
From all over Wayne county and  
from every section of the state of  
Pennsylvania comes assuring infor-  
mation that Pinchot and McCormick  
are going to be the winners.—Wayne In-  
dependent.

**BRUMBAUGH'S VOTE  
CAME MOSTLY FROM  
CITY LIQUOR WARDS**

Dr. Brumbaugh, Republican candi-  
date for governor, in his effort to  
keep the people from believing that  
he was personally selected by Pen-  
rose, McNichol and the Vares, is tel-  
ling the people of the state that he  
received his commission to run for  
governor from the 253,000 voters who  
instructed for him at the spring pri-  
mary. It is interesting to ask who  
these 253,000 gentlemen were and  
where they lived, and what they stand  
for.

By reference to the returns, we find  
that 85,657 of them lived in the city  
of Philadelphia, and that 80 per cent  
of these Philadelphians live in legis-  
lative districts that voted solidly  
against local option in the last legis-  
lature. Upon further investigation,  
we find that of the 253,000 voters who  
instructed for Dr. Brumbaugh, only  
34,768, or less than 14 per cent, lived  
in the counties which voted solidly  
for local option. If Dr. Brumbaugh  
got his commission to run for gov-  
ernor of the state from these 253,000  
voters, his commission looks mighty  
soppy. In fact, a comparison of the  
records shows that it was not dif-  
ferent from the commission that was  
granted to one Boies Penrose to run  
for United States senator.

**IS HE A STRADDLER  
OR DOESN'T HE KNOW?**

The "Personal Liberty" party is the  
ticket of the liquor men of this state.  
Dr. Martin G. Brumbaugh is the  
candidate for governor on that ticket.  
He had it in his power to withdraw  
as a candidate from that ticket, but  
he did not do so.

Besides Dr. Brumbaugh, the "Per-  
sonal Liberty" party has as its can-  
didates Boies Penrose, the avowed  
candidate of the liquor people; Frank  
McClain of Lancaster, also an avowed  
candidate of the liquor people; John  
R. K. Scott of Philadelphia, also a  
liquor candidate, and other men  
known widely as liquor candidates.

Some days ago Vance McCormick,  
Washington-Democratic candidate for  
governor, insisted that any man who  
ran with him on the same ticket  
should withdraw from the "Personal  
Liberty" party ticket.  
McCormick stands for local option  
and against liquor.

Brumbaugh had the same chance,  
but preferred to stand with Penrose,  
McClain and the other liquor candi-  
dates.

And yet Brumbaugh says he is sin-  
cerely for local option!

commander whose army has been un-

the Russians in Galicia.

**CARMAN JURY DISAGREES**

She Will Be Released Under Bail and  
Probably Never Tried Again.

Mineola, L. I.—The Carman trial  
struggled to an end when the jury,  
looking haggard and considerably per-  
turbed after 13 hours and 15 minutes  
of fruitless wrangling came into the  
Supreme Court room and reported a  
disagreement. They had been 16 for  
acquittal and two for conviction.

Mrs. Carman was admitted to \$20,-  
000 bail and released to go home a  
free woman except for the psycholog-  
ical bondage which will come from the  
knowledge of a murder indictment  
hanging over her head.

The district attorney says he will  
never press the case to a retrial unless  
new evidence comes to light from the  
general mystery.

**12 Reserve Banks to Be Opened.**  
Washington, D. C.—The 12 federal  
reserve banks of the new banking  
system will be opened for business  
on November 16. This was announced  
officially. Secretary McAdoo, author-  
ized by the currency act to name the  
opening date, made the announce-  
ment.

**COTTON NOT CONTRABAND**

England Will Not Interfere With Ship-  
ments of American Product.

Washington, D. C.—Sir Edward  
Grey, British Minister for Foreign Af-  
fairs, has assured the United States  
through Ambassador Page at London  
that England will not interfere with  
American cotton shipments as "contra-  
band of war." This was announced  
at the State Department. Ambassador  
Page also reported that the British  
ship Camperdown, laden with Ameri-  
can cotton and products detained at  
Cornaway, Scotland, was not held be-  
cause of his manifest, but on account  
of a disagreement between her owners  
and the charter party.

This attitude of the British Govern-  
ment will permit the safe movement  
of American cotton to any point, in-  
cluding Germany, where a market may  
be found.

**Red Cross Ship Back Home.**

New York.—The American Hospital  
Ship Red Cross, which sailed from  
here last month with American sur-  
geons and nurses for service in the  
war arrived off Sandy Hook and  
docked on the Brooklyn waterfront.

**Relief for Belgians.**

Cumberland, Md.—Prof. Ernest Le  
Grande, aged 79, who held the chair  
of English literature and modern lan-  
guages at Mount St. Mary's College,  
Emmitsburg, died there Sunday.

**Badly Wrecked By \$50,000 Fire.**

Mercer, Pa.—Fire that is reported  
to have started from a lighted cigaret  
caused a loss of \$50,000 here. Six  
business buildings and two dwellings  
were destroyed. For a time the town  
was threatened with destruction.  
Sharon firemen answered a call for  
assistance and a fire truck covered  
the 14-mile trip over bad country  
roads in 25 minutes.

**20 Drowned at San Antonio.**

San Antonio, Tex.—Probably 20  
persons were drowned here in a flood of  
the San Antonio River and the San  
Pedro and Alazan Creeks. The known  
dead number 13.

**Mexican Battle At Parral.**

El Paso, Tex.—Gen. Maelveia Her-  
rera, a Carranza follower, has broken  
the armistice fixed by the peace con-  
vention at Aguascalientes by attack-  
ing Parral, Chihuahua, defended by a  
Villa garrison, and has been repulsed.  
The fight lasted five hours, in which  
time about 300 were killed on either  
side.

**Dr. Jose Uriburi Dead.**

Buenos Aires.—Dr. Jose Uriburi, for-  
mer president of Argentina, died.
