Our Splenid **Combination Offer**

Three Fine Magazines for 35c Extra, in Connection with the Commercial,

Not wishing to handle the cheap, trashy magazines, of-ten filled with questionable stories and advertisements un-fit for home and children's reading, we have made contract by which our subscribers can obtain splendid reading matter for a mere nominal price when combined with the Commercial, their favorite county paper, which is a lead-er in quality and circulation. We are planning to make it THE leader.

For \$1.85 per year, only 35c added to the \$1.50 price of the Commercial, we will send the following with our paper:

The National Stockman and Farmer, the world's Greatest Farm Paper. Note that this is a weekly farm paper — not monthly, as most others. The advance subscription price of

this paper alone is \$1.00 per year and you could not

obtain it for less from the publishers.

The Woman's World, a fine home paper, is the second on our list, and Kimball's Dairy Farmer is the last of our combination offer which we have never

seen equaled for real value. Don't forget that you will each week get the finest farm paper published. Also a monthly woman's magazine and a dairy paper, besides the Commercial-

all for \$1.85. See us for special rates on The Pittsburgh Post and The Toledo Blade for R. F. D. Routes.
