### Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure.

### IT'S A MISTAKE

Made by many Meyersdale residents.

Many people in a misguided way. Many people in a misguided effort to get rid of kidney backache, rely on plasters, liniments and other makeshifts. The right treatment is kidney treatment and a remarkably recommended kidney medicine is Doan's Kidney Pills. Meyersdale is no exception.

The proof is at your very door. The following is an experience typical of the work of Doan's Kidney Pills.

S. W. Bowman, Meyersdale, Pa., says: "About a year ago I was attacked with terrible pains in my back. I couldn't sleep well. The passages of the kidney secretions were irregular and painful. I couldn't stoop over or lift anything. A friend recommended Doan's Kidney Pills to me and I used them. One box gave me relief and I used a couple of boxes. They made me feel all right. I always recommend Doan's Kidney Pills to my friends and keep them on hand.

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills the same S. W. Bowman, recommends. Foster-Milburn Co. Prop., Buffalo, N. Y.

The stretch of new state road about a mile long north of Rockwood has been opened to traffic, and is being used by automobilists. Contractor Evans is only waiting until the state highway inspector approves of the work before he departs for his home at Ambler, Pa. It is the opinion of many that Rockwood borough should construct a similar roadbed between the paving on Main street and the state road, a distance of several hundred feet. The work will likely be begun in the spring.
