**Wonderful Exhibits From All Lands Show the  
 World's Best Progress**

From Beginning to End Magnificent Panama-Pacific International Exposition Will Abound With  
 Superb Educational and Entertainment Features.

By HAMILTON WRIGHT.  
**T**HE construction of the vast  
 Panama-Pacific International  
 Exposition at San Francisco  
 was 95 per cent completed  
 three months before the opening day,  
 on Feb. 20, 1915. The early installa-  
 tion of thousands of tons of rare and  
 costly exhibits from all parts of the  
 globe and the participation of forty of  
 the world's great countries have assur-  
 ed a celebration that will be unrivaled  
 in its splendor, magnitude, interest and  
 comprehensiveness.

From its opening until its close, on  
 Dec. 4, 1915, the Exposition will  
 abound with original features collect-  
 ed at an expenditure of many millions  
 of dollars. It will present a cross sec-  
 tion of human achievement. The Pan-

Francisco in a single day, and far in  
 advance of its opening, the Exposition  
 had created an unprecedented interest  
 throughout the world, and its opening  
 was eagerly awaited.

In keen competitive exhibits there  
 will be presented more than 80,000 sin-  
 gle exhibits and groups of related ex-  
 hibits portraying the results of the  
 world's best efforts in recent years.

This wonderful Exposition, present-  
 ed at an outlay of more than \$60,000,000,  
 celebrates a contemporaneous  
 achievement, the building of the Pan-  
 ama canal. All exhibits that are en-  
 tered for competitive award will be  
 those that have been originated or pro-  
 duced since the great Louisiana Pur-  
 chase Exposition at St. Louis ten years  
 ago. The possible exception to this  
 rule will be where earlier exhibits are

**THE MOTHER OF LINCOLN BEACHEY, FROM THE TOWER OF JEWELS, 435 FEET ABOVE THE  
 EARTH, AT THE PANAMA-PACIFIC INTERNATIONAL EXPOSITION, WATCHES HER SON  
 LOOP HIS ONE THOUSANDTH LOOP.**

When Lincoln Beachey, a son of San Francisco, on the occasion of his homecoming after breaking all world re-  
 cords as a daredevil loopster of 999 loops, performed two entirely new and death defying stunts over the completed  
 palaces of the Panama-Pacific International Exposition it was his aged mother who for the first time waved him  
 on to fresh achievements. Mrs. Beachey held a place of honor, 435 feet up in the air, on the tiptop of the won-  
 derful Tower of Jewels. From this aerial she was able to watch every erratic move of her daredevil son. She  
 cried out only once. That was when he wrote the figures "1000" against the clouds, high above the two miles  
 of completed exhibit palaces, significant of the looping of his one thousandth loop.

at which its distinguished  
 chairman, Colonel George W. Goetz, will  
 preside.

The foreign participation will be  
 notable. The nations are not attempt-  
 ing to show everything that they pro-  
 duce, but will lay especial emphasis  
 upon those products in which they ex-  
 cel. In the Danish display, for exam-  
 ple, will be shown products of the  
 Royal Danish porcelain factory at Co-  
 penhagen. Japan in her exhaustive ex-  
 hibit will display priceless works of  
 art, loaned by direction of the imperial  
 household and many of which could  
 not be duplicated. From Italy will be  
 shown historic paintings of the old  
 masters, hitherto never exhibited in  
 America in the originals. From China  
 there have reached San Francisco se-  
 lections of exhibits collected under the  
 supervision of the governors of the Chi-  
 nese provinces. Rare silks and satins,  
 carvings, inlay work in the precious  
 metals, exhibits of the transportation  
 methods employed in the old China  
 and the modern methods used in the  
 awakening republic will be shown.

**"THE END OF THE TRAIL," PANAMA-PACIFIC INTERNATIONAL  
 EXPOSITION, SAN FRANCISCO, 1915.**

This photograph shows James Earle Fraser's superb piece of statuary,  
 "The End of the Trail," at the Panama-Pacific International Exposition. More  
 than 800 beautiful sculptures are shown at the Exposition, the works of  
 famous sculptors of the day. In addition to the sculptures shown out of  
 doors, thousands of beautiful works of art are presented in the great Palace  
 of Fine Arts.

**For Baby's Bath.**  
 If the baby is afraid of the water  
 and cries and screams when taking his  
 bath buy several prettily colored cork  
 "bobbers" such as fishermen use.  
 Throw these in the bathtub and baby  
 will be so busy trying to catch them  
 that he will forget to be afraid of his  
 morning bath and will even learn to  
 like it.—Mother's Magazine.

**Golf Sarcasm.**  
 A beginner at golf was playing his  
 first game, and his opponent was strug-  
 gling with his emotions as he watched  
 the attempt to hit the ball. But he  
 was unable to repress a smile when he  
 overheard his caddy remark to his  
 chum, "Bill, if he was a play-in' with  
 new laid eggs his golf wouldn't cost  
 him much, would it?"—Argonaut.

**Transfusion of Blood.**  
 The earliest case of the transfusion  
 of blood from the veins of one person  
 to those of another on record so far as  
 we know is that of Pope Innocent  
 VIII, who is said to have been suc-  
 cessfully operated on in April, 1492.  
 In 1667 the operation was performed  
 both in France and England, appar-  
 ently with success, but it again fell into  
 oblivion till 1824, when Dr. Blundell in  
 his "Researches" proved the feasibility  
 of the process. Since that time it has  
 been regarded as a legitimate opera-  
 tion.

**A Consultation.**  
 Gladys—Well, what did Miss Dr.  
 Cleverton say was the cause of your  
 extreme paleness? Grace—Well, she  
 has described to me a hat and waist  
 that will go beautifully with it.—Ex-  
 change.

**The Sofa in Germany.**  
 In Germany the sofa is invested with  
 a sanctity as of a throne. The visitor  
 must not sit upon it unless especially  
 invited to do so by the hostess. To  
 take a seat there unasked is an out-  
 rageous presumption.
