Reasons why our EYE GLASSES and SPECTACLES are good.

1st—Because we are very particular to fit the frame to the features like it was made to order.

2nd. Because we fit the eyes properly—the lenses must be accurate to be satisfactory.

3rd. Because we are cautious to buy only such lenses and mountings that we know to be the best.

Because our own examinations are thorough and scientific—We use the best Optical Instruments—There is no experimenting or guess work.
