COURT NEWS

An opinion was received Friday from Judge Bell, of Clearfield, in which he refuses a new trial in the case of Mary Metzler vs. the United Railway Co., in which a jury gave the plaintiff a verdict of \$800 for land appropriated for a right of way through the plaintiff's farm.

A special plea by the defendant is overruled in the case of Russel and Jacob Doppstadt vs. A. H. Shoup in an opinion received Monday from Judge Bell, of Clearfield. Mr. Shoup was originally sued before a Justice of the Peace, who gave judgment in favor of the plaintiffs in the sum of \$150 for alleged damages sustained when a four-horse wagon was wrecked by an auto driven by Shoup on the public road in Quemahoning township, September, 18, 1909. The defendant appealed to the Court of Common Pleas from the judgment of the Justice of the Peace, after which the plaintiffs filed a statement of claim in an action of trespass. The defendant filed an affidavit of defense denying the allegations in the plaintiffs' statements and set up a plea that judgment should be awarded in favor of the defendant because the Justice of the Peace who first tried the case had no jurisdiction. Judge Bell overruled the plea and leave has been granted the defendant to file another plea.

ANNUAL REPORT COUNTY HOME.

The annual report of the County Home and Hospital, recently filed, contains some valuable information for the taxpayers, and shows that affairs were conducted economically and creditably.

Direct supervision is under Dr. Henry Wilson, who co-operates with the Directors, Messrs. George F. Kimmell, J. W. Peck and Joseph Snyder, as well as their attorney, P. G. Cober, all of whom have taken an active part in minimizing the cost of maintaining the institution, and particularly in looking after the small claims due the county, which in the aggregate amount to considerable in a year.

Compared with the previous year it cost the taxpayers of Somerset county \$9,738.42 less to manage the institutions in 1914, although more persons were supported and the cost of living was generally increased from what it was in 1913. In addition to the money received from the state, and from other counties and individuals for the support of relatives, the County Commissioners issued vouchers in 1913 for \$19,071.81 in order to liquidate the cost of maintenance. In 1914, the vouchers totaled \$10,233.38.
