# How Long will it Take You to Earn \$600.00

At Your Present Salary?

We doubt very much if there is one of the contestants in the Piano Contest earning more than \$600.00 per year working from eight to ten hour per day.

Yet here is an opportunity that we are offering to these same contestants, or to any person who desires to take advantage of it, an opportunity to earn the equivalent of \$600.00 in six months working only one or two hours per day at the very most.

You cannot hope to win the Piano or many of the Grand Prizes unless

You are active in the sale of Trade Books.

Remember that the sale of each book brings to the club that sells it 75,000 votes before it is ever used, and 5,000 additional when the book is turned in. Ten books would net you 760,000 votes this would certainly give your standing a boost

Then what about the special sales?

The purchase of one dollar's worth of sale merchandise on Wednesday gives the purchaser 11,000 votes.
