### F. A. BITTNER,

143 Centre St., Meyersdale, Pa.

By the accidental death of Michael Ludden, last week, his wife and five little children have been left in a desolate condition. They are worthy of any help which, in this time of their great sorrow, can be shown them. Their home is on Keystone street, South Side.

Our County Commissioners, Jacob Koontz, of Stoyestown, C. C. Heckle, of Meyersdale, and Millard W. Walker, of Garret, were in this place on Wednesday morning inspecting the progress of the new bridge being built across the Flaugherty. They also went up to Springs to view a road in contemplation for that place.

Mr. John W. Rephorn, candidate for county treasurer was in Meyersdale a part of the present week making friends who will stand him in good stead at the September primary. He seems to have made friends in other years and his friendships seems to be deeper than those of a political die.

Frank Hocking, son of Mr. William Hocking, of Main street, while in Cover's store on Saturday accidentally stepped into an opening in the floor and badly injured one of his legs from his knee to the hip. He has since been most of the time confined to bed. Louise, the younger daughter of Mr. Hocking was taken with appendicitis on Sunday shortly after noon and for a time it was thought it would be necessary to take her at once to a hospital, but the acute attack being over, the operation for the present has been postponed.

## Prospective Automobile Buyers

This is the most important advertisement we have ever caused to be published. READ EVERY WORD AND THEN MARVEL.

One of your agents on a visit to MR. HENRY FORD broached the subject of a possible August 1st. REBATE.

"Mr. Ford," he suggested, "is there anything we can say to our people with regard to the FORD MOTOR COMPANY'S 300,000 CAR REBATE PLAN?"

"We shall sell the 300,000" was the quiet reply, "and in eleven months, a full month ahead of August 1; then, barring the unexpected, a refund is ASSURED."

Factory and branches are sending out 1800 daily. I then said to Mr. Ford—"If I could make definite refund statements we would increase our local sales 500 cars." "Yes," was the response, "you may say that we shall pay back to each purchaser of a Ford car between August 1st., 1914 and August 1st. 1915, barring the unforeseen, the sum of \$50.00. You may say that I authorize you to make this statement."

We are now in a position to make REPAIRS on Ford Cars; also we carry a complete line of genuine Ford Parts, accessories, Gasolene, Engine Oil and Transmission Grease.

All work Guaranteed—Prices Reasonable.—Call in.

**STAHL'S FORD AGENCY**  
O. L. PIOT, Mgr.

Corner North & Centre Sts.,

Meyersdale, Pa.

Last week, Deputy Sheriff William Wilson, Uniontown, brought to this Co., to the county home, for feeble minded, Rezin Divilbliss and Kate Moulton. The former has been insane for about 20 years, his principal delusion being that he is immensely wealthy, claiming to have been awarded large sums in various lawsuits. He also fancies that he was a preacher and formerly delivered sermons on all occasions.

Attorney Charles H. Baly, who succeeded Harvey M. Berkely as assignee of S. D. Livengood, the Meyersdale banker, who became financially involved about six years ago, has just made distribution of a fund of about \$20,000 among the Livengood creditors, that being only a small percentage of what they lost. On Saturday in Meyersdale he made distribution here.
