After an absence of thirty years, Harry J. Markel, a former resident,

Are Your Eyes Perfect?

Probably no organ of the body is neglected more than the EYES.

YOU CERTAINLY are anxious that your sight should be perfect thought your numbered days and when Nature warns you through the medium of pain in the Eye Balls Aching Head, Blurred Vision and Twitching Eyelids, you should not neglect these calls of nature, but should immediately consent an OPTOMETRIST OPTICIAN who will tell you about your needs.

Our methods of examination are scientific and accurate

Leave Your Orders Here for

Flowers for Mothers' Day

We are going to have a nice lot of flowers for this day. They will be here on Friday evening. If you can not come on that day call us up and we will reserve them for you.

F. B. THOMAS, Leading Druggist, Both Phones MEYERSDALE, PA.

visited here a few days ago.

Mrs. Beatrice Forbes-Robertson Hale, actress, authoress and suffrage lecturer charmed all who heard her in the Berlin Opera House, Tuesday evening. The safe guarding of mothers' rights was her main theme and by her own life she has thoroughly proven that a woman may be a splendid mother and at the same time have a profession. She has three fine children at home who by no means are neglected though their mother is an ardent suffragette.
