Floto; Stoyestown—Miss Olive Miller; Lavansville—Mrs. W. H. Bruner; Shanksville—Mrs. M. L. Smucker; Confluence—Mrs. Thera Pike; Cumberland—Mrs. C. W. Beaver; Davidsville—Mrs. Otto C. The Committee on Resolutions made the following report:
 Resolved—Since much less time is required to get the printed report of the schools before the convention than was required under the old custom of reading it, and since the printed report is of much greater and more permanent value, we therefore recommend that a similar report be printed for future conventions.

Since an ideal, or vision of the possibilities and duties of a school, is an incentive to greater achievement, we would therefore urge the schools to make every possible effort to reach the goal set by the Lutheran Sunday School Standard and that in the next Directory and annual report a list of the schools attaining this standard be printed as an Honor Roll.

That as a result of the continued agitation on the part of Christians against the organized liquor traffic the victory is gradually but surely being won, we therefore urge the members of the schools to continue to earnestly and zealously in this fight until the victory be fully and finally won.

That by a rising vote, express our grateful appreciation and sincere thanks to the following:—To the pastor and people of Zion Lutheran church, Meyersdale, for the kind reception and the generous hospitality accorded us; To the choir which so ably assisted in the service of song; To Prof. I. H. Mack for his genial leadership in directing the music of the convention; To the Executive Committee for the splendid program provided; To Drs. L. B. Wolf and C. P. Wiles for their presence and their inspiring illuminating messages; To the Lutheran Publication Society for its splendid exhibit of literature; To all who in any way helped to make the convention a success.

H. S. Rhoads,
 Simon Snyder,
 Joseph Walker, Com.

The program given in its entirety in a recent issue of the Commercial was very effectively carried out and those who were in attendance must have been greatly benefitted.

VETERANS AT GRANTSVILLE

On Sunday 26 members of M. C. Lowry Post, G. A. R. journeyed to Grantsville with a number of others to decorate the graves of the soldiers of that place.

At 8:20 a. m. they boarded the trolley car here for Salisbury where they were met by autos from Grantsville and Salisbury to take them to the former place.

The service was held in the Lutheran church and an excellent sermon was preached by Rev. E. E. Oney on "Religion and Patriotism," showing that the two go hand in hand. The procession to the cemetery included besides the veterans and the citizens, the Sunday School children and the Woodmen with their flags and axes.

The good people of Grantsville had prepared dinners in their homes as usual and invited the visitors to be their guests and to say that the tables groaned under their load of good things to eat, is to express only in a slight manner the excellent dinners enjoyed by the veterans and their friends. At the meeting of post this evening a new detail will probably be appointed to go to Mt. Lebanon next Sunday, as May 30, the day set for decorating the graves there, was a rainy one. At Mt. Lebanon on Sunday Rev. Kresge will preach to the veterans that being the regular time for services there.

Skim Cream on Bottles.

A novel method of skimming all the cream from milk contained in a bottle or like vessel is to use a large round disk of rubber which takes a slightly concave shape, it being hung upon three light aluminum rods or wires. Slipping the disk in edgewise and below the surface, it then takes the flat position and can be drawn out with all the cream.

To Overrule Timidity.

Don't believe that you are unable to overcome timidity. You think you are not because you have always been able to control conditions and people in a way to humor it. Start the fight now; for you may some day find yourself alone, and without the money to buy yourself an audience for your peculiarities.

Who Baked Them?

A little girl was sent to a neighbor's with a plate of fresh cookies that her mother had just baked. In a little while she came running back to her mother and said: "Oh, mother, Mrs. Weeks thought the cookies were just fine and she wants the 'address' for them."

When Was He In the Legislature?

"The legislature, pa—?" "The average legislature, my son," replied J. Fuller Gloom, "is a debating society wherein nobody knows what he is talking about, and does not care anything about what anybody else is talking about."
