SAND PATCH.

A. I. Beal has had his dwelling and
 store decorated with a coat of white
 and trimmed with black paint, im-
 proving the appearance wonderfully,
 as well as keeping the building in good
 condition. His son, Charles was the
 decorator. He is some artist at the
 business as well as a practical farmer.
 Emery Younk, who moved into
 one of the properties of the B. & O.
 company recently, has the place
 cleaned up and in neat condition.
 Since he and his wife gave the place
 a thorough renovating with soap, lye
 and water, and lots of muscular abil-
 ity it appears much different. Nothing
 like having the surroundings in a
 neat as well as cleanly condition.

A. A. Sharp has leased about 50
 acres of B. & O. railroad land at this
 place for agricultural purposes. He
 wants to fence it up and get the soil
 in shape for farming and grazing
 purposes.

Mr. A. Thomas of Boynton, Pa., and
 Miss Florence Hostleroth, of Sand
 Patch boarded Train No. 45 June 15th
 for Cumberland and had the knot tied
 and are now traveling the matrimo-
 nial route. Good luck to the newly-
 weds.

C. M. Brooks and B. H. Beal at-
 tended the 101 Wild West Show at
 Connellsville the night of the 18th
 inst. to see Champion Jess Willard.
 They report the show fairly good, but
 report Willard's boxing exhibition as
 the best part of it all. B. H. Beal
 claims he could stay with the cham-
 pion for ten rounds providing he would
 not hit on the bugle.

A very interesting ball game took
 place Sunday afternoon on the new
 diamond recently cleared off by the
 home team. The game was between
 the home team and the Wittenberg
 nine resulting in a score of 108 to 1.
 No quitting on account of darkness
 in favor of the home team. Batteries
 for the home team were Brooks and
 Long; Wittenberg, Bittner and Ge-
 rger. Umpire in field, Hon. T. P.
 Bracken. Behind bat, Samuel W.
 Bunnell. Will finish the game next
 Sunday. Come and see it.

Governor Brumbaugh has again sur-
 prised and shocked the politicians and
 agents of big interests by vetoing the
 bill to repeal the Full Crew Law, giv-
 ing as one of his reasons that the pub-
 lic was safer as the bill stands.

The state appropriation for Markle-
 ton Sanitarium is fixed at \$13,000.

 L. Swank, Mrs. L. P. Young, Mrs. A.

 rant were present at the equal suff-
 rage Rally at the home of Mrs. E. E.
 Kriener at Somerset on last Tues-
 day.

 Jersey is visiting at the home of his

 J. Engle attended the Gumbert sale
 near Berlin on last Thursday.

 Mrs. P. M. Connor visited the latter's
 daughter at the Western Maryland
 hospital, Cumberland last Wednes-
 day. Mrs. Yoder has recovered suffi-
 ciently that on Thursday her husband
 accompanied her to their home at
 Hooversville.

 loo, Iowa, who came east to attend
 the Annual convention at Hershey,
 spent a few days last week in town
 visiting his cousin, Dr. A. M. Lichty
 and other relatives.

 home owned and occupied by the

 sit for several weeks.

Fred Breig, of Meyersdale was a
 guest at the home of Mr. and Mrs.
 George Tedrow on last Sunday.

Mr. and Mrs. Clarence Hetrick and
 children of near Little Crossing, Md.,
 were Salisbury visitors on Saturday
 evening.

George Ringler, of Coal Run, a mi-
 ner employed by the Grassy Run Coal
 Co., was badly hurt by a fall of rock
 from the roof of the mine while at
 work in No. 2 on Saturday forenoon.

It was all that two men could do to
 remove a big rock which had plun-
 ged upon his head after the first
 fall had knocked him down, but for-
 tunately his head was on some coal
 and the fall of the rock had spent its
 force on it or it would undoubtedly
 have crushed the unfortunate man's
 skull. He was hurried home on a
 stretcher and Dr. Swank attended to
 his injuries. No bones were broken
 but one leg is very much sprained
 and bruised and it will be several
 weeks at least before he will be able
 to resume work.

BOYNTON.

The majority of our people are at-
 tending the meetings held at the Sa-
 lisbury Church of the Brethren. Rev.
 Broughen of Greensburg, being the

 the latter's parents, Mr. and Mrs.

 dren, of West Salisbury spent Sunday

 way on Friday evening but forgot to
 favor us with some music.

 Bittner a few days ago and left a boy.
 A lawn fete will be held Saturday
 evening June 26 at the church for the
 benefit of the Sunday School. Be sure
 to attend and invite your friends to
 do the same.

**COUNTY DEMO-
 CRATIC MEETING**

The Democratic county committee
 held its biennial meeting in Somerset
 on Monday. Charles W. Walker was
 re-elected county chairman and Chas.
 F. Uhl, Jr., was re-elected treasurer.
 Albert S. Glessner of town, was elect-
 ed chairman of the committee on res-
 olutions and with such enthusiasm
 was the draft of resolution received
 that it was unanimously decided to
 transmit a copy to President Wood-
 row Wilson.

Democratic Resolutions Adopted
 Resolved that we, the Democratic
 Committee of Somerset County, very
 earnestly endorse the intelligent, dig-
 nified and patriotic administration of
 President Woodrow Wilson. Not in
 the history of this country have so
 many similar grave crises confronted
 the American people during one ad-
 ministration and in every case has
 the "Ship of State" been steered
 with great mind, unerring judgment
 and steady hand. Not only has the
 strictest neutrality been maintained
 with firmness, but the country's dig-
 nity has been upheld with unflinching
 courage during a succession of even-
 tuous incidents upon the most stur-
 geous war in the history of the
 world.

We commend our president for his
 faithful efforts to defend American

life and property and to safeguard the
 rights of American citizens on the
 high seas as well as upon the land;
 for his conscientious devotion to the
 best interest of all humanity and his
 successful endeavors in preventing
 foreign entanglements, and in pre-
 serving peace with all the nations of
 the earth.

We hereby pledge him our loyal
 devotion and undivided support in
 the prosecution of the work which he
 has in hand and which he has thus
 far so nobly advanced. We place our-
 selves on record as favoring his re-
 nomination in 1916, for a second term,
 believing that in him can Democratic
 as well as National aspirations be best
 fulfilled.

We endorse and ratify the course
 of Wooda N. Carr during his term of
 office in Congress and in the gra-
 tifying record he made in his splen-
 did support of the administration. Al-
 though defeated at the last election it
 is our unanimous opinion that the in-
 terests of our congressional district
 would have been best served had he
 been re-elected.
