The Store That Sells Wooltex

Don't Buy a Wash Skirt that must be made over Buy a Wooltex tailored Pre-Shrunk Wash Skirt

Copyright 1915, by the Wooltex Tailors. A smartly tailored circular gored model in raffine, pique or plisse. Fastens with five big pearl buttons and has one patch pocket. Reinforced waist band that will stay trim and neat like all Wooltex-made skirts. An exceptional skirt for \$2.50.

When you buy a wear ready wash skirt, you don't want to have it to make over after it is laundered. You've no doubt had just such an experience.

But you'll not have that experience with Pre Shrunk Wash Skirts that are made by Wooltex tailors.

The materials are pre shrunk, even to the belting. When they come back from the laundry, you won't have to put on a new waist band and let out the hem.

Select one to fit comfortably when you buy it—it will stay good fitting though you launder it every week.

A beautiful variety of models and materials at \$2.50 to \$8.50

See them tomorrow by all means.

WARNING!

GET the glowing punk and the crackling out; Let the loud torpedo busily boom; Flutter the banner and bravely shout; Give to the screeching old eagle room; Tell the wondering, listening world once more Of the glory we claim and our strength and pride; Let the shout be echoed from shore to shore And wafted o'er prairie and mountain side; Let the folds of our glorious flag be tossed High o'er the heads of unshackled men— But don't forget that the hand that is lost Will never grow on your wrist again.

A VICTIM, BUT CHEERFUL

SHOUT of the glory our ancestors won; Let the Declaration be proudly read; Tear a hole through the roof with the rusty gun; Cause the dogs to hide or to flee in dread; Let the oars and the kings of the world be told Of the pride and the strength of a freeborn race; Let the welkin ring as it rang of old; Make the land we claim an uproarious place; Shoot and shout all the glorious day; Whoop of the greatness of freeborn men— But remember the nose that is shot away Will never grow on your face again. —S. E. Kiser in Chicago Herald.

ONE BOY'S FOURTH.

He Wound It Up In a Blaze, but Not One of Glory.

"When I was many years younger I spent a very unhappy Fourth of July," said Louis James, the famous actor. "During three weeks preceding this period I made myself useful to our neighbors—when my mother couldn't find me—in order that I might have a fund sufficient to buy fireworks.

"I counted over my three weeks wages doing chores. They amounted to 37 cents. The night preceding the Fourth I went with my parents to church, much against my will, for I wanted to exult with my playmates over my lately acquired wealth. I was the most restless member of that congregation and amused myself by annoying mother. I was so very naughty that I was not allowed out of the house the next day until evening.

"In the meantime I studied how to get even with my parents for this severe punishment, and after due deliberation I determined to set our neighbor's house on fire. I succeeded, and to this day I recollect how forlorn I was at the end of it. I got all that was coming to me from my parents."
