

# MID-SUMMER RED LETTER SALE

JULY 10th to 31st      ↗ The Women's Store ↖      JULY 10th to 31st

Now comes the Big Sale at the Women's Store, the sale that you have been waiting for. Summer stock must be cleaned up to make room for Fall and Winter goods that are coming in--the policy of this store is to carry no stock from one season to another. Prices have been cut regardless of cost, and we have no hesitancy in saying that never before have we offered such bargains as these. We can list only a few of the big bargains; there are many other bargains just as big as these, in fact nearly every article in the store is to be sacrificed. Come early while the assortments are good.
