IS A POPULAR CANDIDATE.

Ed. B. Barnett, one of the most popular young men of Somerset, is a candidate for Recorder of Deeds. This will be his second canvass for the county for this office, having made a very creditable run four years ago.

Mr. Barnett, who was born on a farm near Friedens, is a son of Henry F. Barnett, deceased. He comes from a family of early settlers and among the most patriotic of Somerset county. His father and five brothers served in the Civil war, while he saw service in the Spanish-American war in 1898.

He has always been a staunch Republican, having always been an active party worker and committeeman and during the campaign last fall had charge of the Republican headquarters.

By serving two years as Deputy Recorder, he qualified himself for the duties of the office and no one will deny that he is competent to perform them. He is kind and unselfish, polite and courteous and has all the qualities needed to make a proper public official.

Mr. Barnett was a member of the Somerset Town Council while much of its paving and other improvements were made. He is a member of the Board of Trade and several fraternal organizations. For several years he has been foreman of the maintenance and repair work on the county highways.

A VOTE FOR BARNETT WILL NOT BE LOST. Adv.

AN HISTORIC HIGHWAY.

Many touring cars from Pennsylvania and other states pass over the old National Road every day. During the past week in addition to Pennsylvania, Maryland, West Virginia and Ohio cars which are rather common there were automobiles from California, Michigan, Oklahoma, Arkansas, New York, Virginia, Texas, Illinois, Rhode Island and Massachusetts all traveling the historic highway as far as they could. Hundreds of automobiles carrying touring parties from nearly all of the eastern and western states pass over the Lincoln Highway every day. The number of tourists seems to increase from day to day and the indications are that both of the popular routes from east to west will be full of cars during September and October.

IS NOT THIS SANE LOGIC?
Some severely score and others approve Mr. Bryan in his statement made a few days ago at Chicago when he said: "The real question is not whether American citizens have, under international law, a right to travel through the danger zone on ships of belligerent nations. That is admitted. The question is whether an American should put his convenience or even his rights above his nation's welfare." Again, "whether the government should permit a few persons to drag the country into this unparalleled war."

MARRIED.
ROSS—KNEPPER.

The marriage of Harry Joseph Ross of Somerset and Miss Elizabeth Knepper, took place Thursday at high noon at the home of the bride's parents, Mr. and Mrs. Norman E. Knepper of Somerset. Only the immediate members of the two families were present. The ceremony was performed by the bride's pastor, Rev. I. Hess Wagner of the Lutheran Church. The bride is the only daughter of Mr. and Mrs. Knepper and she has been one of the most popular girls of the younger set. The groom is a son of Mr. and Mrs. J. W. Ross of Friedens and for several years has been a bookkeeper in Farmers National Bank.

The Progressive Brethren Sunday School picnicked at Riverside Park yesterday and to-day the Church of the Brethren are at the same place in large numbers. Briefly put, the trolley authorities should erect some tables and place some benches on the grounds that people in partaking of their picnic fare might do so with a little more comfort and satisfaction. All of the churches of the town have picnicked there this summer, besides many class picnics and of other organizations.
