### SALISBURY.

Politics seemed rather quiet in our little city all along but the last few days before the primary things commenced to sizzle up a bit and indications are on the eve of the election that before the election is over that the political pot may boil over in our otherwise quiet and peaceful community. Dire vengeance has been threatened our would-be Republicans if their vote should be challenged and so we shall see what we shall see.

Many different constructions are made concerning the qualifications of voters and it seems almost necessary for some man learned in the law to come around every once in awhile to explain the meaning of the election law to some of our otherwise real smart people. Some even think that because a leopard can't change his spot should be no just reason why they should not be allowed to change their politics at least once a year.

## The "Inside" of a Corset

A CORSET may be shapely in design and beautiful to view but it must have the right "inside" construction to be able to retain its shapeliness and beauty.

We have had considerable experience in selling various kinds of corsets, some of which were not constructed properly. So now we are very careful about the corsets we buy. We investigate and experiment in every possible way to test out the real service that a corset affords.

We are sure of one corset—the HENDERSON. We recommend HENDERSON CORSETS without hesitation.

In the first place, HENDERSON CORSETS are designed according to the very latest fashions. They have all of the new style innovations that give grace and naturalness to the figure.

HENDERSON CORSETS give lasting service and retain their original shapeliness. They have double bones, double side stays and reinforced front clasp. They are made of the strongest and best materials throughout. They are tailored in a most skillful manner.

If you want a corset that will assure you a fashionable figure and will not "give" to ordinary wear and strain, come to our store and let us show you your individualized HENDERSON CORSET. A varied choice from \$1.00 to \$5.00.
