#### SALISBURY.

On Wednesday evening, Mr. and Mrs. Walter Durwin arrived in Salisbury to spend part of their honey-moon with relatives. Mrs. Durwin was formerly Miss Carmen Ringler, youngest daughter of Mr. John Ringler for many years a resident of this place. Mr. and Mrs. Durwin were

married in Pittsburg on Wednesday. and Mrs. J. H. Stotler, Mrs. Earl Ringler, Mrs. A. B. Lowry and Mrs. Clarence Statler motored Cumberland one day last week to do some shopping. On their way home they were caught in a fierce snow storm and had to get a farmer along the National Pike to pull the machine out of the snow drifts with his team of horses. They finally got as far as Silas Durst's several miles from town when they put the auto into shelter and telephoned the Loechel livery for a team to bring them home, the snow bound travelers.

The Salisbury Boy Scouts basket ball team played a game with a team of boys from Meyersdale on the skating rink floor in Meyersdale on Saturday afternoon; the Meyersdale lads the game. On Monday eevning the Boy Scouts team of town drove over to Frostburg where they engaged in a game with Boy Scouts of that place. The score was 14 to 31 in favor of the Frostburgers. Our team can not express themselves too highly for the kind and courteous treatment they received from the Frost-burg boys. They had a fine sled ride in spite of the coldnight, it being after midnight when they arrived home.

Our town will present a fine appearance over the holiday season. Most of the windows of the business houses are tastily decorated and the town is lighted up with many extra elec-tric lights on the principal streets. Ella, the little daughter of Dr. and used as during Chautauqua week.
