

**SALISBURY.**

At a recent meeting of town council of Salisbury, James Harding and Joseph Hoover, two prominent citizens, were appointed members of the Board of Health. There being no physician on the Board, it consists of only four members. The other two members of the Board are Frank Peery and John L. Barbus.

Last Thursday, Mrs. Henry Mc Kenzie, Miss Carrie Meese, Robert and Mary Teney and Lorne Dean were dinner guests at the home of Mr. and Mrs. Chas. Hoffman of Elk Lick township.

Mrs. C. R. Haselbarth who had been ill for several weeks, is in a very weak condition and is not improving much if at all.

There are quite a number of cases of chicken-pox in town and since very few of the first cases were reported to the health officer it is likely that the disease has been spread all over this place.

Misses Edith and Katherine Reiber have been ill for the past week with a bad case of grip and pneumonia threatened for awhile, but both are reported out of danger.

The condition of Miss Odella, Connor, who has been quite ill for several weeks, is improving and the patient is considered out of danger.

Lee Meyers, fireman on the Jennings railroad, while helping to make up the train near Grantsville on Tuesday night of last week had the misfortune to fall on a rock and sustained a fractured hip and one arm. He was speedily taken to a hospital in Cumberland.

The property of Mrs. Anale Brown deceased, was sold at public sale last Saturday by Joseph Durst, the executor, and was purchased by William Wagner of Elk Lick township. There seems to be a dispute among the heirs and the executor as to who has the power to sell the property and the matter will likely be threshed out in court before a good title will be given for it.

The people of Salisbury and vicinity will be privileged to hear one of America's greatest lecturers Tuesday evening, Jan. 18th. Some splendid men have appeared in the town's Lecture Course during the years it has been favored with a course, but a more scholarly and more entertaining speaker than Mr. Beauchamp has never been on the platform. He leaves his audience with light hearts and aching sides. He is sure to please

**GRANTSVILLE.**  
On Wednesday word was received here of the death of Edward Bevans of Union Bridge, formerly of this place and he was a son of the late Dr. H. J. Bevans. Mr. Bevans was on his way to Grantsville and while on his way to the car he pulled a revolver from his pocket and shot himself through the back of his mouth. The deceased had been in ill health for some time and it is generally thought that had something to do with the rash act. The body was brought to the home of his father-in-law, Gilead Broadwater on Thursday and on Friday afternoon interment was made in the Grantsville cemetery. He was 31 years of age and is survived by a wife and six children.

Lee Murphy of Jennings fell from the engine of the Jennings train on his hip and sustaining other injuries. He was hurried to the hospital by Menno Miller in his car. So far he is doing nicely and on the road to recovery.

The little daughter of Earle Folk who has pneumonia and has been in a precarious condition the past few weeks, is slowly improving and those in attendance have hopes of her ultimate recovery.

Mrs. Sophia Bonig is in a critical condition at present.
