A party of school boys and girls, eighteen in number, enjoyed a sleigh ride to Alfred Knapp's home in Wittenberg Monday evening.

Miss Carrie Donnecker's Sunday School class of boys cleared about \$25 by their oyster supper in the social room of the Methodist church last Thursday evening. Mr. William Devore, daughter Miss Grace and granddaughter, Miss Ruth Buchanan of Ellerslie, Md. visited over Sunday at the home of Mr. Devore's sister, Mrs. C. T. Hay, Salisbury. On Monday they took dinner at the home of Dr. H. C. McKinley of this and place and later in the day they went to Garrett to visit Mr. Devore's nephew, Samuel Logsdon.

A few days ago, August Frickey, of Garrett brought to this office a couple of Ben Davis apples, which were plump and fine. These were gathered not last October, but one year preceding that time or in October 1914. They with others were kept in a box in Mr. Frickey's cellar but each apple was kept from other apples. He says that he has others and he is going to see how long he can keep this fruit before it becomes rotted.

A little excitement was aroused by the rumor that Meyersdale was to have an automobile factory. While such is not likely to be the case soon there is some probability that this town may obtain a factory for the manufacture of auto tires of a new kind, a rubber tire with an interior series of springs. Those having tested this tire pronounce it very superior to all others, being more durable, and so punctureless. Those who are projecting the affair want nothing more said at present.

England, Germany and France Agree

on one thing, if on no other. They all prohibit the sale of alum baking powders.

There must be a good reason for this. It is because alum was found to be unhealthful.

Royal Baking Powder is made of cream of tartar, derived from grapes, a natural food product, and contains no alum nor other questionable ingredients.

REX CLUB TRIUMPHS OVER FIREMEN.

In one of the fastest and cleanest games of the season, the "Rex Club" captured the long end of a 32-26 score in a game with the Firemen Friday evening.

The "Rex Club" started off in great form and before ten minutes had elapsed the score stood at 15-2, a lead which was too much for the Firemen to overcome.

SPANISH LINER IS SUNK; 445 LOST

Principe de Asturias Strikes Rock off Santos, Brazil

GOES DOWN IN FIVE MINUTES

Liner Was in Service Between Barcelona, Spain, and Brazilian Port; Was Large and Comparatively New

The Spanish steamship Principe de Asturias has been sunk by striking a rock off Santos, Brazil. She went to the bottom in five minutes. Eighty-six members of the crew and fifty-seven passengers have been taken to Santos by the French steamer Viga. A Spanish steamship is standing by. A dispatch from Santos says that 338 passengers and 107 members of the crew of the Principe de Asturias are missing. The steamer was wrecked off Sebastiao Point, the western extremity of the island of that name, near the entrance to Santos bay.

The Principe de Asturias was engaged in the passenger service between Barcelona and Brazil. The last report of her movements are of her departure on her previous trip eastward. She passed Gibraltar Feb. 4, on her way from Buenos Aires to Barcelona.

She was a large and comparatively new vessel. Her gross tonnage was 3,371, her length 450 feet, her beam 58 feet and depth 29 feet. She was built in Port Glasgow in 1914 and was owned by the Pinillos, Izquierdo y Cia of Cadiz, Spain.

The Girl Hikers of the M. H. S. wish to deny the statement concerning their conduct at the Summit Mills School, Monday night, Feb. 22. Their motive for visiting the schools was one of interest and they went to witness and enjoy the program. However, they could see nor hear nothing because of the disturbance in the rear of the room. They were not the cause of the annoyance and wish this to be made known to the person or persons who entered the criticism in the Meyersdale Commercial. (The only criticism made, however, was that the entrance of such a large party during the progress of the program was disturbing.—Ed.)

The Firemen's Basket Ball Team of Meyersdale defeated the Salisbury Varsity Five on Wednesday night at Reich's Auditorium with a score of 24 to 8. The visitors could not endure the sting of defeat and therefore left the floor before the game was properly ended. The spectators say the game was a fair one.
