DEATHS IN THIS COUNTY

Some Friends Whom You Knew and Loved Who Have Passed Away Recently in This Vicinity.

MISS EDITH MAY JUST.

In last week's issue of the Commercial a brief announcement of the death of Miss Edith Just was made. She passed away on the afternoon of Thursday, March 16, at 4:45 o'clock following an illness of a few months.

Miss Just was a daughter of Mr. and Mrs. Cyrus A. Just and she was born in the house adjoining the one in which she died. She attended the public schools of Meyersdale and graduated in the Academy course with the class of 1904 and following which she took up a business course in a commercial school at this place. Then she accepted a position with the Second National Bank of Meyersdale as bookkeeper and stenographer which place she filled with remarkable success and fidelity up to the time of her serious illness, she becoming conversant with all phases of the work.

In church activities her energy knew no abatement; she was a member of the Brethren Church and in Sunday School she handled the finances in a very creditable and systematic manner. She was president of the Woman's League consisting of seventy members of which she was the youngest. When hardly able to attend church and Sunday School, she kept on going, Sunday after Sunday, trusting in her Lord for strength, always trying to be useful and aiming to make others happy. Her death has certainly left a void in the church and in the community. Her good works will continue as a blessing to others.

Besides her parents, two sisters survive: Miss Sadie and Miss Florence. The funeral was held on Saturday afternoon at her late home, corner of Broadway and Centre street, at 1:30 o'clock, and following the conveying of the loved form to its final resting place in Union cemetery, funeral services were held in the Brethren church, her pastor, Rev. H. L. Goughnour, officiating assisted by Rev. W. M. Howe. The pall bearers were members of the bank with whom she was associated in her daily activities and members of the choir, of which she was an important factor: J. H. Bowman, C. Q. Griffith, Park Weimer, H. M. Cook, John Swearman and Maurice Clark.

The deceased was a member of the Methodist Church and prominent in Masonic circles, having been a member of the Blue Ridge at Hyndman; a member of the Chapter at Meyersdale and of the Commandery at Cumberland.

George J. Hibner, Private of Capt. Peter B. Petrie, Company C. of Veteran Battalion, 2nd Maryland, P. H. B. Infantry, volunteered May 17, 1863, was discharged May 29, 1865. Returning to civic life he helped to build the Sand Patch tunnel. Later he entered the employ of the Mt. Savage Fire Brick Company and later became the foreman for that company, remaining with them for a period of 35 years and later he became the foreman of the W. J. Rainey Brick Plant at Mount Braddock.

Mr. Hibner was twice married. His first wife was Miss Barbara Ellen Finzel (deceased) of Finzel, Maryland by whom two children, still living were born, Mrs. D. M. Lee of Vint, and Mrs. Annie Gardner of Johnstown, Pa. His second wife Mrs. Charles Altmiller, formerly Miss Emma Coughnour of Glencoe survives her husband. His other children are Frank Hibner, of Hyndman, George Hibner of near Connelville; Mrs. Charles D. Swindell of Mt. Braddock; Mrs. W. A. GRANGE ORGANIZATION IN BROTHERSVALLEY TOWNSHIP

Fifty-Seven Persons Are Charter Members of the New Hillcrest Grange. State Officers Form New Association at Edison Hay's Home.

PROPOSE ERECTING A BUILDING LATER

There was instituted a Grange Organization, Patrons of Husbandry, to be known as Hillcrest Grange, in Brothersvalley Township, last Thursday evening at the home of Edison Hay. State officers were present and the work was carried on in good form. With 57 members, the Grange starts off under very auspicious circumstances.

It is proposed to put up a building at the cross roads a little later.

This organization is a potent factor for good in rural communities for social and economic purposes. The officers are as follows:

THAT CONNECTING ROAD.

Interest in proposed good county road connecting the Lincoln Highway and the National Pike, via Somerset, Berlin, Meyersdale and Salisbury, will not be permitted to subside until the road is an actual achievement, it is said by those who have undertaken to commit the county to a comprehensive road improvement plan.

While not opposed to road improvements the County Commissioners are anxious to ascertain what proportion of the expense the State Highway Department will assume in case the rebuilding of the road between Jennerstown and Salisbury is undertaken. Practically the entire stretch of road referred to was taken over by the State two or three years ago and since then it has received some attention from the department.

They have arranged to meet with Highway Commissioner of the State Department at Pittsburgh tomorrow and fully discuss the matter. Others to help boost the issue are John C. Brydon, Frank B. Black, George J. Krebs, John H. Beeris, James McKelvey, Isaiah Good, Norman E. Knepper, W. Curtis Truxal and others.

Craver.

Verna Mae Grush bequeathed \$75 to her niece, Edna Grush, and all of her other effects, real and personal, to her sister, Mrs. Daniel Tooney who is named as executrix.

NEARLY ELECTROCUTED.

H. C. Gnagey, son of Asst. Postmaster John C. Gnagey, Somerset, had a narrow escape from death Friday evening when he came in contact with a live wire at the mines of the Stauffer-Quemahoning Coal Co., near Lestie. Gnagey, who was an employe of the Penn Service Company, was engaged in making some repairs at the time and was in the act of turning a switch when the accident happened. The wire was charged with 23,000 volts and only his having heavy rubber arctics on his feet saved his life. He had his hands quite badly burned.

PROGRESS OF BOY SCOUTS

On Friday evening at T. W. Gurley's store another meeting of the Boy Scouts was held at which time about 36 enthusiastic lads were present. There are now 48 members and at least that many more boys anxious to join.

Khaki uniforms will be purchased and whenever possible the boys will work to earn their equipment. A hall will be rented for drilling. Ten cents constitute the entrance fee and five cents per week will be the dues. T. A. Gurley and Robt. Walker will be the Scout Masters. Harry Arndt has accepted the position as Captain. D. A. Freedline and W. H. Deeter have each promised to furnish a dozen wooden guns.

While the boys are taught military tactics, that is only a very small part of their training and by no means the most important. All manly traits are emphasized and one of the first requisites is to perform an unselfish act each day.

RECEIVING GOVERNMENT TROUT

The President of Shanksville Camp, No. 116, United Sportsmen of Pennsylvania, has been notified by the Bureau of Fisheries, Washington, D. C., that the camp's application for brook trout has been favorably passed upon and shipment of a large number would be made within the next 30 days. The fish will be consigned to the Friedens station. The trout will be placed in the streams in the Shanksville district.

The camp is also expecting a shipment of yellow perch. They will be placed in Walker's Dam, the second largest in Somerset County. Members of the Shanksville camp have done excellent work for the past year in assisting the game protectors of the district. They are keeping close tab on the streams in their district to guard against pollution from all sources.

TO BE SHOWN AT THE SUMMER GARDEN

The Battle Cry of Peace deals with the subject which is today nearest the heart of every American citizen—the problem of American's unpreparedness.

It portrays the defenseless condition of our country; the consequences to which this condition may lead; and the way to avoid these consequences.

This big photo-play is running at the Pitt Theater, Pittsburgh at the present time, closing this week making the sixth week and 108 performances. People are turned away every day. It is a case of come early. The picture will be accompanied by an orchestra of six pieces, under the direction of Prof. Lew Bittner, the popular Summer Garden Pianist.—Adv.

Harry Growall, of Rockwood, associated with his father in the milling business, was attending to business matters in Meyersdale last Friday afternoon and attended the funeral of his cousin, Miss Edith Just.

The Wild Life League, organized here a few weeks ago is seeking a place to hold their meetings. The organization started off with much enthusiasm.

HIGH SCHOOL SUSPENSIONS

Basket Ball Team Made to Disband Goes for Another Game. The Directors Take a Decided Stand.

Students Grier, Statler, Brant, Grof and Pike on Tuesday forenoon were dismissed from the Meyersdale High School for the remainder of the week for disobeying regulations.

The trouble was occasioned by these young men going to Keyser, W. Va., to play a game of basketball, following the refusal to do so by Prof. Weaver of the High School. Following the playing of ten games this season, the principal told the boys that the season must be ended for this year.

The boys made an engagement for Keyser and were absent from school all day Monday. On Tuesday morning they were allowed to attend their work until after the Board of Directors, consisting of Messrs. Clutton, S. D. Gnagey Bittner, Moore and Beachley held a meeting when it was decided to suspend the boys until Friday evening where a hearing will be held by the Board. One of the parents of each of the boys to be present.

ENJOYABLE BIRTHDAY

On March 15th a very pretty surprise party was given at the home of Mr. and Mrs. Andrew Hatchkiss at Coal Run in honor of Mrs. Hotchkiss' 24 birthday. Refreshments were served and Mrs. Hotchkiss was the recipient of quite a number of useful presents.

The evening was spent playing all kinds of games.

Those present were: Mr. and Mrs. Lloyd Hinebaugh and son, Mr. and Mrs. William Hinebaugh and daughters, Evelyn and Irene, Mr. and Mrs. Roy Hinebaugh, Mr. and Mrs. Rittenour and Mrs. Mary Hotchkiss and sons, Robert and William, Misses Cora Beals, Louisa Diehl, Nancy Wetzenheiser, Elizabeth Beals, Cora Hinebaugh, Madge May, Catherine Hotchkiss, Mamie Bittner, Trellis Hinebaugh, Messrs. Ira and Clyde Hinebaugh, Clyde Tipton, Charles Ohler, Jake Diehl, Jake Hartlan and James Mull.

BIJOU TO BE ENLARGED

Owing to the increased patronage of the Bijou Moving Picture Theatre, Manager Hemminger has decided that he must have more room as on several occasions he had to turn many away, and has run his shows up to and beyond midnight.

The owner of the building, T. W. Gurley has made arrangements with contractors to extend the room in the rear a distance of 30 feet which permits the placing of 150 more seats. The ventilation is to be improved, by which even in the heat of summer all will feel entirely comfortable. This work may be begun next week.

Mr. Hemminger is also making arrangements for a better service of pictures if that is possible; but everybody seems well satisfied with what they are now getting. A stage is to be erected which will permit vaudeville being carried on.

ANOTHER GHOST LIE NAILED.

I, as son of the late Jonathan Albright, do most positively declare that the story printed in last week's issue of the Meyersdale Republican about the spirit of my father returning to earth and again taking possession of his former home, ordering the members of the household out of the dwelling in short, brief, language, an infernal lie, from start to finish, and the man who furnished the story to Mr. Livingood the editor of The Republican must have been saturated with Sand Patch whiskey, and must have seen his own shadow.
