The greatest dissipaters of Energy in the Human Body are the

EYES! - EYES! - EYES! the little mirrors of ourselves.

IS IT POSSIBLE TO SEE TOO LONG?

To this question I answer, YES.

The reason your head aches above the Eye-Brows is because you have forced or are forcing these Organs to work longer and harder than They are capable of doing.

Do you experience a heaviness in your Eyes in a short time? If you have Eye-trouble, come to see me-I will diagnose your case and if necessary will prescribe the proper glasses for you.
