SALISBURY ENTERTAINMENT Wednesday Eve. April 12, 1916

THE REGNIERS. The program of the Regniers is one that has been worked out along original lines as adapted to the two presenting it. Mr. and Mrs. Regnier are entertainers, each one, but the clever

ROY J. REGNIER AND MERYL REGNIER, ENTERTAINERS. and unique combining of their talents, as in this program, has met with a wonderful success. There are vocal duets, solos, impersonations, trombone solos and piano-logues, all hung together by a framework in the form of a conversational sketch.

The variety of the whole arrangement is apparent because the two artists are remarkably versatile. But this framework connects everything, and the various parts introduced are not broken up. There is just enough dia-

logue running all through so that each number runs naturally into the other. Mr. Regnier was the trombone soloist of a Chautauqua concert company first, and later he was made a member of one of the leading male quartets doing Chautauqua work. In this he was tenor, trombonist, reader and all round entertainer.

MR. REEL ANNOUNCES FOR THE ASSEMBLY.

Hon. M. D. Reel, one of the two representatives in the General Assembly from Somerset county during the last session of the legislature, has announced his candidacy for re-nomination on the Republican ticket. Mr. Reel stated his position when he entered the race two years ago in relation to issues before the people at that time and at the close of the legislature he returned home with no apologies or explanations to make to any one. He has stood four square in his public acts and he has a right to ask for his return to Harrisburg in the interests of Somerset county. His record is one of which he may justly take much satisfaction.

MRS. D. E. FAIDLEY.

Mrs. D. E. Faidley passed away at her home in Maxwell, Iowa, recently after an illness of nearly three months from paralysis. Sarah A. Driving It Home Let us drive home to you the fact that no washwoman can wash clothes in as sanitary a manner as that in which the work is done at our laundry. We use much more water, change the water many more times, use purer and more costly soap, and keep all the clothes in constant motion during the entire process. It's simply a matter of having proper facilities. Meyersdale Steam Laundry
