A Mine Accident.
Monday while operating the cutter at the slope, Mr. Robert Weiner had one of his legs caught and badly mangled. The injured man was hurried to the Dr. Pollard office where Drs. Pollard and McClellan dressed the injured member after which Dr. Pollard took him to a Cumberland hospital. As yet it is not known whether the leg will have to be amputated or not. We certainly hope not.

Eye-Sore Removed.
At last one of the eye-sores of this town has been removed. The old barn that has stood opposite the Reformed church on the Meyers lot was torn down last week. This makes a big improvement and we are very grateful to Mr. Meyer for its removal. We appreciate the improvements of the town.

Lad Breaks Arm.
Thursday evening while playing blacksmith, Everett, the 12-year old son of Mr. and Mrs. Chas. Colbert, climbed to the roof of a neighboring house and while there in some way lost his footing, fell to the ground breaking his arm between the wrist and the elbow. Dr. McClellan gave the proper surgical assistance.

Married at Cumberland.

The bride was a member of the graduating class of 1916 of the Garrett high school. She is one of Garrett's most popular young ladies and is highly esteemed by all who know her. Her many friends wish her much happiness.
